Chief Secretary to
Government.

To

The Secretary to the Government of India,
Ministry of Irrigation & Power,
NEW DELHI.

Sir,

Sub: Formation of an Electricity Board
in the State.

I am directed to invite reference to the
subject cited above.

This Government have considered ~~this~~ ^{the}
question and have decided to set up an Electricity
Board for the State. Draft Rules for the
Electricity Board have also been framed.
These rules have been referred to the
Accountant-General, Mysore, Bangalore as the
rules have to be finalised ~~only~~ in consultation
with the ^{Auditor} ~~Accountant~~-General. The draft
rules will be published ^{shortly} ~~inviting~~ objections
and suggestions, if any, from the public.

I am however directed to bring to the
notice of the Government of India that the
Government of Mysore wish to have the position
under law clarified as regards the following
problems before actually the orders of this

Bm, 16/6

2
Government constituting the Board are issued.

- (i) The question of control over the officers and staff of the Electricity Department being transferred to the control of the Board. This Government have already addressed the Government of India in this matter, in their letter No. 15 SEB 57 dated 31st May 1957. This Government have not received any reply in the matter from the Government of India.
- (ii) This Government are of the view that the Hydro-Electric Projects in this State now under execution namely the Sharavathi Valley Project, the Bhadra Hydro-Electric Project and the Tungabhadra (Left Side) Hydro-Electric Project should continue under the control of the ^{State} Government even after the Electricity Board is constituted. They are of that view because, it is felt that in order to ensure the execution of these Hydro-Electric Projects according to schedule, it is very necessary to have close co-ordination between the execution of the civil engineering portion of the work and the electrical construction portion of the work. The civil engineering portions of the projects are being executed by the State P.W.D. and therefore it is essential that the electrical construction side should also be under the control of the State Government in order to ensure efficiency and proper execution of the projects. An opinion has however been expressed that under the provisions of Section 60 (1) of the Electricity (Supply) Act, it is

13

necessary to transfer to the control of the Electricity Board to be constituted even the Hydro-Electric Projects which are under execution and which are not yet completed. As the Government of Mysore wish to keep the control over the execution of those projects ^{with} ~~under~~ the Government itself, the Government of India may kindly ~~be~~ examine this point and inform this Government whether it may be done.

In view of these difficulties, this Government are of the view that it may not be possible to ^{issue the} ~~pass~~ relevant Government Orders constituting the Board within 1st July 1957. The Government of India may therefore kindly consider extending the exemption granted already till the 1st September 1957. It ^{that} is hoped ~~by~~ that time, the position under Law as regards the points cited above will ^{have} ~~been~~ clarified and the orders of this Government ^{have been} constituting the Board will ~~be~~ issued.

BMS
17/5/57

Yours faithfully,
BMS 14/5/57
Dy. Secretary to Government,
P.W. & Electricity Dept.

GOVERNMENT OF MYSORE

No.PWD15SEB57

Mysore Government Secretariat,
Dated Bangalore the/5th June 1957.

From

The Deputy Secretary to the Government of Mysore,
Public Works and Electrical Departments, Bangalore.

To

The Secretary to the Government of India,
Ministry of Irrigation and Power,
New Delhi.

Sir,

Subject: Formation of an Electricity Board in the State.

- - -

I am directed to invite reference to the subject cited above.

This Government have considered the question and have decided to set up an Electricity Board for the State. Draft Rules for the Electricity Board have also been framed. These rules have been referred to the Accountant-General, Mysore, Bangalore as the rules have to be finalised in consultation with the Auditor General. The draft rules will be published shortly inviting objections and suggestions, if any, from the public.

I am however directed to bring to the notice of the Government of India that the Government of Mysore wish to have the position under law clarified as regards the following problems before actually the orders of this Government constituting the Board are issued:

- (i) The question of control over the officers and staff of the Electricity Department being transferred to the control of the Board. This Government have already addressed the Government of India in this matter, in their letter No. PWD15SEB57, dated the 31st May 1957. This Government have not received any reply in the matter from the Government of India.

(continued)

- (ii) This Government are of the view that the Hydro Electric Projects in this State now under execution namely the Sharavathi Valley Project, the Bhadra Hydro Electric Project and the Tungabhadra (left Side) Hydro Electric Project should continue under the control of the State Government even after the Electricity Board is constituted. They are of that view because, it is felt that in order to ensure the execution of these Hydro Electric Projects according to schedule, it is very necessary to have close co-ordination between the execution of the civil engineering portion of the works and the electrical construction portion of the works. The civil engineering portions of the projects are being executed by the State Public Works Department and therefore it is essential that the electrical construction side should also be under the control of the State Government in order to ensure efficiency and proper execution of the projects. An opinion has however been expressed that under the provisions of Section 60(1) of the Electricity Supply Act, it is necessary to transfer to the control of the Electricity Board to be constituted even the Hydro Electric Projects which are under execution and which are not yet completed. As the Government of Mysore wish to keep the control over the execution of those projects with the Government itself, the Government of India may kindly examine this point and inform this Government whether it may be done.

In view of these difficulties, this Government are of the view that it may not be possible to issue the relevant Government Orders constituting the Board within 1st July 1957. The Government of India may therefore kindly consider extending the exemption granted already till the 1st September 1957. It is hoped that by that time, the position under Law as regards the points cited above will have been clarified and the orders of this Government constituting the Board will have been issued.

Yours faithfully,

MYSORE GOVERNMENT SECRETARIAT
Dated Bangalore 21st June 1957

Pt. 145

Dear Shri.Bahl,

May I recall the talks which we had over the telephone a few days ago about certain legal difficulties in regard to the constitution of an Electricity Board in Mysore State? We had also referred these matters to the Government of India in letters No.PWD 15 SEB 57 dated 31st May and 15th June 1957 and I believe they would by now be under consideration. I would be grateful if the decisions of the Government of India are communicated as early as possible, especially on the question of extension of time asked for in the second of the above-mentioned two letters.

Yours sincerely,

SV/6

(B.S. Srikantiah)
Deputy Secretary to Government.
✓ Electrical Department.

vbk/2.

11)

Extract from Electrical file No. PWD 15 SEB 57
relating to the formation of a State Electricity Board
in the Mysore State - Transfer of the existing personnel
to the control of the Board.

10) I have discussed this matter with the Secretary,
Public Works Department, yesterday. He stated that
he would be consulting the Government of Kerala and
Madras as regards the steps they proposed to take.

11) As regards the proposal to transfer the Government
servants to the Board, in the absence of an appropriate
provision of law, such transfer cannot be legally
sustained since the Board will not be a Department of
Government, but a trading corporation governed by a
Central Act.

12) If it is considered necessary that all the -
Government servants in the Electrical Department
should be transferred to serve under the Board,
suitable provision will have to be made by amendment
of section 60 of the Electricity (Supply) Act, 1948,
in order to effect the transfer of Government servants
to the Board. The Government of India may be -
addressed in the matter and in view of the urgency
they may be requested to consider the promulgation
of an Ordinance immediately after the present meetings
of Parliament conclude. Such matters in respect of
which provisions have to be made in the Ordinance may
be indicated to the Government of India by the Admini-
strative Secretariat. Whether they may be on the
lines of section 11 of the Life Insurance Corporation
Act, 1956, may be considered. If the Government of
India are agreeable to the legislation, they may be
requested to intimate the State Government of the
form of the proposed amendment.

(Sd) M. Sadasivayya
LAW SECRETARY
d/18-5-1957.

19) The point at issue is that employees of Electricity Department of a State are employees of the State Government. As such, they are governed by the provisions of Articles 309 to 311 of the Constitution. Art. 309 specifically provides that any law to be passed on the subject shall be subject to the provisions of the Constitution. Art. 311 provides that in respect of certain disciplinary matters an authority subordinate to that by which the Government servant was appointed cannot exercise disciplinary powers. The question will, therefore, be whether the powers of disciplinary punishment in respect of dismissal or removal can be exercised by the Board even by an amendment to the law. This is the crux of the matter; and I think it should be specifically mentioned in our draft to the Government of India (a copy of the letter should also go ~~xxx~~ to the Ministry of Home Affairs). If this is not feasible, the alternatives will be to lend the Government servants to the Board without payment of any deputation allowance which can be done by altering the conditions of their service, though the disciplinary powers will be retained by the State; or to terminate the services of all employees of the Electricity Board on the ground that their posts are abolished. This will involve not merely huge expenditure but also endanger the future of the Board itself which may not be able to secure many of the staff on advantageous terms. The difficulty must, therefore, be fairly and squarely placed before the Government of India.

(Sd) P.V.R. Rao
CHIEF SECRETARY
d/24-5-1957.

Contd.

21) The Chief Secretary's note appears to be made on the basis that the present employees in the Electricity Department will continue to be State Government servants. But in para 12, I have indicated that if necessary law is made by the Centre the said employees can be transferred to the Corporation. As stated already the staff employed by the State Government in respect of controlled business was transferred to the Life Insurance Corporation in pursuance of section 11 of the Life Insurance Corporation Act, 1956, and the State Government and the Governor have now no manner of control over these former employees of Mysore Government.

22) Articles 309 and 311 are applicable only to persons employed under the State Government as long as the continue under such employment.

23) In this view, it seems to me that it is enough at this stage to write to the Government of India as - proposed.

(Sd) M. Sadasivayya

15)

No. EL.II-1(35)-Mysore,
GOVERNMENT OF INDIA,
MINISTRY OF IRRIGATION & POWER.

New Delhi, July 8, 1957.

N.S. Vasant,
Officer on Special Duty.

To

The Secretary to Govt. of Mysore,
Public Works & Electrical Departments,
BANGALORE.

Subject:- Formation of a State Electricity Board
in the Mysore State - Transfer of the
existing personnel of the Mysore
Electricity Department to the proposed
Electricity Board.

Sir,

I am directed to refer to your letter

F. No. PWD 15 SEB57, dated the 31st May, 1957, on the subject
cited above and to say that the Government of India has
been advised as under:-

"In exercise of the powers vested in them under
Section 78A of the Electricity (Supply) Act, 1948,
the State Government can give directions to the
Electricity Board, to ensure that the services of
the employees working in the Government Electricity
Department are taken over by the Board on terms
and conditions not less favourable to them than
are applicable under the Department. Such
directions can also stipulate that the terms and
conditions of service of the employees of the
Electricity Department are not changed by the Board
to their disadvantage in future and that whenever
it is sought to introduce new service regulations,
the usual practice of giving option to the
employees to continue to be governed under the
old rules is given."

Since the existing provisions of the Act are
considered adequate enough to enable a State Government to
safeguard the interests of its employees on their transfer
to an Electricity Board, the question of any further
amendment to the Act does not arise.

Yours Faithfully,

(N.S. Vasant)

Insertion of new section 78A:-

After section 78 of the principal Act, the following section shall be inserted, namely:-

"78A. Directions by the State Government- (1) In the discharge of its functions, the Board shall be guided by such directions on questions of policy as may be given to it by the State Government.

(2) If any dispute arises between the Board and the State Government as to whether a question ~~arises between the Board and the State Government~~ is or is not a question of policy, it shall be referred to the Authority whose decision thereon shall be final".

5th August

PWD 15 SEB 57

My dear Dutt,

The question of forming a State Electricity Board for the Mysore State is on the anvil and in this respect one of the problems that arises is about the future of the employees of the Mysore State Electricity Department. This question was referred to the Ministry of Irrigation and Power who have stated that the Government of India has been advised as under:

"In exercise of the powers vested in them under Section 78A of the Electricity (Supply) Act, 1948, the State Government can give directions to the Electricity Board, to ensure that the services of the employees working in the Government Electricity Department are taken over by the Board on terms and conditions not less favourable to them than are applicable under the Department. Such directions can also stipulate that the terms and conditions of service of the employees of the Electricity Department are not changed by the Board to their disadvantage in future and that whenever it is sought to introduce new service regulations, the usual practice of giving option to the employees to continue to be governed under the old rules is given."

The option to be given if any should, it seems, apply not merely to conditions of service like pay, pension, etc. but also to disciplinary matters.

2. The employees of the State Electricity Department are mainly governed by the Mysore Service Regulations and particularly by labour laws. A few of the employees who have come over from Hyderabad, Bombay and Madras Governments are governed by the respective service regulations. Thus these employees are covered by Articles 309 and 311 of the Constitution. Article 311 in particular provides that persons holding a civil post under a State shall not be dismissed or removed by an authority "subordinate" to that by which they were appointed. This Article seems to have been interpreted as meaning that such a person can be dismissed or removed from service only by the appointing authority or by some higher authority. To the extent the employees of the State Electricity Department are appointed by Government and are now to be transferred to the Electricity

Board, it is not clear whether it will be open to the Board to exercise the powers of dismissal or removal. While it may be possible to hold that the Electricity Board is not an authority "subordinate" to the State Government, if the view that only the appointing authority or higher authority can impose the punishment of removal or dismissal is correct, it could mean the employees appointed by Government can, even after their transfer to the Board, be subject to such disciplinary penalty only at the hands of Government. If this interpretation is correct, this is likely to jeopardise the jurisdiction of the Electricity Board; if on the other hand, the Electricity Board can exercise such disciplinary jurisdiction, it is not clear from the above ruling whether the Constitutional provisions of Article 311 are being fully adhered to. I shall be glad to have confirmation that it is permissible for the Government to transfer the services of the employees appointed Government or deemed to be appointed to the Electricity Board that the Board can be given full disciplinary control over staff including powers of reduction, removal or dismissal without the intervention of Government or of the Public Service Commission.

I am making this reference as this issue is likely to arise with regard to Government employees in certain other departments and it is very necessary to have a clear opinion in the

Yours sincerely,

NEW DELHI-2, the

31 AUG 1957

My dear Rao,

cfp.17.

Please refer to your D.O. No.PWD 15 SEB 57, dated the 5th August, 1957, to Dutt regarding disciplinary control over staff of the Mysore State Electricity Department who may be transferred to the State Electricity Board. We have examined the points raised by you in consultation with the Ministries of Law and Irrigation and Power. The question whether such staff would continue to enjoy the protection afforded by Article 311 of the Constitution even while they are employed under the State Electricity Board would depend on whether they would continue to be Government servants while so employed. We presume that posts in the Mysore State Electricity Department in which the staff are now employed will be abolished on the constitution of the State Electricity Board and similar posts created under that authority. There would, therefore, be no posts under Government, on which the liens of such staff can be retained and it would not, therefore, be appropriate to treat them as being transferred or sent on deputation to the Mysore State Electricity Board for, in that event, they would have the right at any time in the future to ask to be reverted to their permanent posts under Government. Their services under Government should therefore be terminated and they should be re-employed by the Mysore State Electricity Board. After such re-employment, they would no longer be Government servants and would not, therefore be entitled to the protection of Article 311 of the Constitution. In respect of disciplinary matters, therefore, they cannot continue to have the same conditions of service as at present. The Ministry of Irrigation and Power have confirmed that "the 'terms and conditions' of service referred to in the advice given by them to the State Government envisaged only the salaries, allowances, leave, medical benefits, travelling allowance and daily allowance, pension, gratuity etc." and

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

R e a d -

Correspondence ending with letter No.14931, dated the 22nd May 1957 from the Chief Engineer, Electricity forwarding for the sanction of Government proposals for the formation of an Electrical Inspectorate under Government.

ORDER NO.PWD60GEM57.

Dated Bangalore the 14th/23rd August 1957.

Government are pleased to constitute an Electric Inspectorate for the State under an Electric Inspector of the rank and status of a General Superintendent (Superintending Engineer) and accord sanction to the post of Electric Inspector and the appointment of the staff to work under him in accordance with the statement accompanying, at a cost of Rs.1,78,512/- (Rupees one lakh, seventy eight thousand, five hundred and twelve only) per annum. The expenditure for the rest of the year may be met out of the provision of Rs.1 lakh made under "Taxes and Duties - C.Charges under the Electricity Acts."

2. The new posts under the Electric Inspector may be filled as and when the work load justifies it ^{and} ~~xxx~~ the necessity for the staff arises.

3. The staff now working under the present Government Electrical Inspector will get merged with the staff now sanctioned.

(B.Siddappa)
For Secretary to Government
Electrical Department

115

To

The Chairman,
Mysore State Electricity Board, Bangalore.

Sir,

Sub: Transfer of the existing personnel of the
Mysore ~~State~~ Electricity Department to the
Electricity Board.

(3)
9/12

I am directed to invite attention to the fact that with effect from the 30th September 1951 the work that was being carried on prior to that date by the former Electricity Department was transferred to:

- 1) The State Electricity Board
- 2) The Unit under the Chief Engineer
Hydro Electric Construction Projects
- 3) The Electrical Inspectorate

The employees of these three units were government servants in the Electricity Department formerly and their status as government servants remains undisturbed. The Government have considered the question of providing officers and staff to man the technical posts in the three departments mentioned above and have come to the conclusion that it would be advisable to have ^a single Electrical Engineering Cadre for the requirements of the State.

The Hydro Electric Construction Project Unit is, because of the very nature of its work, of a temporary character. The posts under that unit are chargeable to the estimates of the project and as soon as the construction of the Hydro Electric Projects are over, all these posts will get abolished, as the maintenance of hydro electric stations and generation and supply of power will be under the control of the Board. In order to ensure that the prospects for

18/12/51

promotion of the officers as they were on 30-9-1 are not materially changed and also in order to ensure that the staff that might be engaged in construction of hydro electric projects will ultimately be absorbed in a permanent cadre, it the view of Government that there should be only one cadre and that under the State Electricity Board. The position will therefore be that an Electrical Engineering Cadre will have to be constituted under the Board for the posts required in the Hydro Electric Projects and the Electrical Inspectorate in addition to those of the Board. Officers will have to be lent from the State Electricity Board to the Projects and Inspectorate on contract or loan basis. This will mean that the lien of the Electrical Engineers who were formerly serving under the Electricity Department will have to be in a cadre under the State Electricity Board.

In order to give effect to the above it is necessary to issue a notice to every employee calling upon him to agree to have the lien that he had under Government terminated and transferred to a corresponding post under the State Electricity Board without loss of seniority and the terms and conditions of service being not less favourable to the officer ^{than} ~~that~~ it was under Government. The Board may kindly agree to guarantee the following:-

- (1) The Board will have to agree to count the service that the employees of the former Electricity Department rendered under Government for the purposes of pension and will have to pay them the pension admissible for the entire service both under Government and under the State Electricity Board.

18^m 30 ¹²/₅₇

- (2) As resolved by the Electricity Board at its first meeting held on the 30th September 1957 the Board will have to agree ~~to~~ the terms and conditions of service of the employees as they were prior to the date of transfer shall continue and shall not be varied except with their consent.

I am therefore enclosing copy of a draft notice proposed to be issued to all the members of the staff of the former Electricity Department. This notice has been scrutinised by the Law Department. I am to request you kindly to have the draft of the notice herein enclosed placed before the next meeting of the Board and communicate their concurrence to it.

Yours faithfully,

Boo 30 ¹²/₅₇

Deputy Secretary to Government
P.W. & Electrical Departments.

DRAFT NOTICE.

Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the - Administrative Control of the State Electricity Board or in the Hydro Electric Construction ^{Contd.} Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board ^{again} ~~corresponding~~ in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority previously held by

Contd.

the Government employees in the department [and
that the terms and conditions of service under the
Board shall not be less favourable than they were
delete under the Electricity Department immediately prior
to the formation of the Board and shall not be
varied to the disadvantage of the employees except
with the consent of the latter.] The Board have
also consented to continue the retirement benefits
for the employees according to the terms to which
they were eligible immediately prior to the -
formation of the Board and for this purpose
have agreed to count the service put in by the
employees in the Electricity Department prior to
the formation of the Board in the same manner as
it would have been counted under the rules appli-
cable to the Electricity Department immediately
prior to the formation of the Board.

2. The officers and officials who are
now working in Hydro Electric Construction Projects

Contd.

- 3 -

And who, in terms of this notice, ~~have~~ ^{have} agreed to enter in service of the ^{Board} or the Electrical Inspectorate will be treated as holding lien under the State Electricity Board and as if their services have been lent to Government by the State Electricity Board on terms and conditions to be agreed upon between the Government and the Board [subject to the condition that their pay scales and terms and conditions will not be less favourable than they were immediately prior to 30th September 1957.]

Delete

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

MYSORE STATE ELECTRICITY BOARD

K. GURU DUTT, I.A.S. (Retd.)
CHAIRMAN

BANGALORE - I

Dated, 23rd January 1958.

D.O.No.P.C.68

Dear Sri Srinivasachar,

Sub: Transfer of the existing personnel of the Mysore Electricity Department to the Electricity Board.

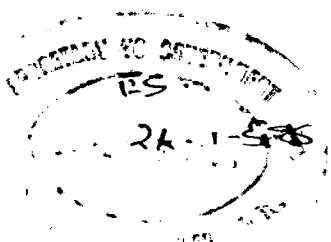

Ref: Your Dy. Secretary's D.O.Letter No. **C7P32**
PWD 15 SEB 57 dated 31-12-1957.

The letter together with the draft notice received from the Deputy Secretary was discussed by the Board at its meeting held on the 17th instant and Resolution No.186 adopted is extracted below:-

"The Board is generally agreeable to the proposals contained in the above-mentioned letter and its enclosure. It is presumed that the terms of the notice proposed to be issued have reference only to the existing salaries, allowances and other emoluments as contemplated in Resolution No.4 dated 30th Septr. 1957, and in Govt. Order No. PWD 15 SEB 57 dated 30th December 1957 giving certain directions for the guidance of the Board in the discharge of its functions."

*Copy PWD 15
Flagged*

Resolution No.4 dated 30th September 1957 ensures that the salaries, allowances and other emoluments of the service personnel placed under the administrative control of the Board be continued to be paid on the same basis, at the same scales and in the same manner as would have been done if they had continued as employees in the Govt. Electrical Department and not be varied to their disadvantage, and Direction I of Order No.PWD 15 SEB 57,

257

*to be paid
the 1st
11/11
a. v. s.
13/11*

CONFIDENTIAL

-2-

ated 30th December 1957 of Government reads identically. The Board therefore presumes that the expression "terms and conditions of service under the Board" on page 2 of the draft Notice, and in the letter of the Deputy Secretary has reference only to the existing salaries, allowances and other emoluments referred to in Resolution No.4 of the Board and the direction dated 30th December 1957 of Government. This may be clarified in the notice, or in the alternative the expression "terms and conditions" deleted and the wording modified so as to bring out the intention unambiguously.

Yours sincerely,

(K. Guru Dutt)

Shri D.K.Srinivasachar, I.A.S.,
Secretary to Government of Mysore,
P.W.D. & Member, M.S.E. Board,
Bangalore..

GOVERNMENT OF MYSORE

No. 1100 15 SK-B57
Smul-7

Mysore Government Secretariat,
VIDHANA SOUDHA,

Dated, Bangalore, ^{27/2} FEBRUARY 1958.

FROM The Secretary to the Government of Mysore,
Electrical Department.

TO The Chairman,
Mysore State Electricity Board,
Bangalore.

Sir,

Subject: Transfer of the existing personnel of the Mysore
Electricity Department to the Electricity Board.

With reference to your D.O. letter No.PC-68 dated 23-1-1958
the above subject, I am directed to request you kindly to have the dra:
notice modified in the manner indicated below:-

(i) By the omission of the clause "and that...." except with the consent of the latter ^{in para 1}

(ii) By the addition of the words "and who, in terms of
this & Notice, agree to enter the service of the Board"
after the words "Electrical Inspectorate" in para 2 of the
draft notice.

(iii) By the omission of the proviso "subject to the
condition that....." at the end of para 2 of the
draft notice.

2. A copy of the Draft Notice as finally approved is also
herewith forwarded.

Yours faithfully,

gc *km*
Deputy Secretary to Government,
Electrical Department.

DRAFT NOTICE.

Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the Administrative Control of the State Electricity Board or in the Hydro Electric & Construction Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board corresponding in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority *previously* held by the Government employees in the department. The Board have also consented to continue the retirement benefits for the employees according to the terms to which they were eligible immediately prior to the formation of the Board and for this purpose have agreed to count the service put in by the employees in the Electricity Department prior to the

42
formation of the Board in the same manner as it would have been counted under the rules applicable to the Electricity Department immediately prior to the formation of the Board.

2. The officers and officials who are now working in Hydro Electric Construction Projects or the Electrical Inspectate and who in tem of this notice, agreed to enter the service of the Board will be treated as holding lien under the State Electricity Board and as if their services have been lent to Government by the State Electricity Board on terms and conditions to be agreed upon between the Government and the Board.

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

4. This notice issues with the concurrence of the State Electricity Board.

Dr. H. S. K. S. K.
Deputy SECRETARY TO GOVERNMENT.

Bangalore, dated the 4. 3. 1958.

From

The Accountant General, Mysore,
Bangalore.

To The Deputy Secretary to the Government of Mysore,
P. W. and Electrical Departments,
Bangalore.

Subject:-, Electrical Inspectorate - Status of staff.

UW 10/13
R.V. 17/3

I am to invite a reference to Government Order No. P.W.D. 15-SEB 57 dated 30-9-1957 approving the arrangements to be made for the administration of the Electrical Inspectorate and the Hydro Electric Construction Projects and to state as follows:

It is stated, in the Government order cited above, that the staff working in the Inspectorate and the construction Projects will be under the control of Government. A doubt is felt whether the staff referred to above are to be treated as belonging to the Electricity Board which was constituted on 1-10-1957 and lent by the Board to Government, ~~the Electricity~~ or whether they are to be treated as Government servants continuously in as much as they were Government servants belonging to the Electricity Department prior to the formation of the Board. In case they are lent by the Board to Government the terms and conditions on which the staff are lent to Government may be intimated.

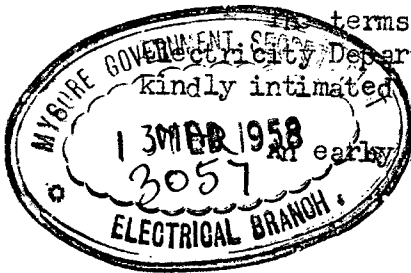

the terms and conditions on which the other staff of the Electricity Department were transferred to the Board may also be kindly intimated.

An early reply is requested.

Yours faithfully,

T. Gangolli

Assistant Accountant General.

BANGALORE - I

March 24, 1958

Dear Sri Srinivasachar,

Sub: Transfer of the existing personnel of the
Mysore Electricity Department to the Electricity
Board.

Ref: Your Deputy Secretary's letter No.PWD 15 SEB 57 CFP.6
dated 27-2-1958.

The letter together with the revised draft Notice was
placed before the Board at its meeting held on 14th March 1958 and
Resolution No.286 adopted is extracted below:

RESOLUTION NO. 286.

The Board accepted the wording of the final draft Notice
proposed to be issued by Government, but suggested the modification
of para 2 as follows:-

- "2. The officers and officials who are now working in Hydro-
Electric Construction Projects or the Electrical -
Inspectorate or those who are on deputation in other
Departments of Government or on foreign service and who
in terms of this Notice agree to enter the service of
the Board will be treated as holding lien under the
State Electricity Board, and as if their services have
been lent to such authority by the State Electricity
Board on terms and conditions to be agreed upon between
such authority and the Board."

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

R e a d -

Notification No.PWD15SEB57, dated the 27th September 1957 constituting an Electricity Board in the State.

2. G.O.No.PWD15SEB57, dated the 27th September 1957 creating the post of a Chief Engineer, Hydro Electric Construction Projects.

ORDER NO.PWD15SEB57.

Dated Bangalore the 30th September 1957.

Government are pleased to direct that the following arrangements be brought into force on and from the date of formation of an Electricity Board in the State.

I. JURISDICTION OF BOARD:

1. All Hydro-electric construction Projects, viz. Sharavathi, Bhadra and Tungabhadra together with such electrical Projects as form part of these Projects, as also investigations and construction of Hydro Electric and Thermal Projects in the State will be under the control of Government.
2. The Electrical Inspectorate, also under the control of Government, will consist of the Electrical Inspector and such staff as is appointed to work under him for discharging the duties and responsibilities of the Inspectorate in regard to inspections, etc., under the provisions of the Electricity Act.
3. Until other arrangements are made, the Board will be requested to attend to the work of Maintenance of Electrical Installations in all Government buildings, subject to such financial adjustments as may be decided.
4. All other items of work now being looked after by the Electrical Department will be transferred to the Board. The Civil Engineering Works now being executed by the Electrical Department (excluding those connected with Construction Projects) will be handled by the Board until and unless other arrangements are made by the Board.

II. S T A F F:

All persons working in connection with

- (1) The Hydro Electric Construction Projects, and
- (2) The Electrical Inspectorate,

immediately before the formation of the Board will continue to work in connection with these Projects or in the Inspectorate case may be under the administrative control of Government.

(contd)

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

Re a d -

Notification No. PWD/252B/57, dated the 27th September 1957, constituting an Electricity Board in the State.
 2. O.O. No. PWD/252B/57, dated the 27th September 1957 creating the post of a Chief Engineer, Hydro Electric Construction Projects.

ORDER NO. PWD/252B/57.

Dated Bangalore the 30th September 1957.

Government are pleased to direct that the following arrangements be brought into force on and from the date of formation of an Electricity Board in the State.

I. JURISDICTION OF BOARD:

1. All Hydro-electric construction Projects, viz. Chavara, Hsara and Tungabhadra together with such electrical Projects as form part of these Projects, as also investigations and construction of Hydro Electric and Thermal Projects in the State will be under the control of Government.
2. The Electrical Inspectorate, also under the control of Government, will consist of the Electrical Inspector and such staff as is appointed to work under him for discharging the duties and responsibilities of the Inspectorate in regard to inspections, etc., under the provisions of the Electricity Act.
3. Until other arrangements are made, the Board will be requested to attend to the work of Maintenance of Electrical Installations in all Government buildings, subject to such financial adjustments as may be decided.
4. All other items of work now being looked after by the Electrical Department will be transferred to the Board. The Civil Engineering Works now being executed by the Electrical Department (excluding those connected with Construction Projects) will be handled by the Board until and unless other arrangements are made by the Board.

II. STAFF:

All persons working in connection with

- (1) The Hydro Electric Construction Projects, and
- (2) The Electrical Inspectorate,

immediately before the formation of the Board will continue to work in connection with these Projects or in the Inspectorate may be under the administrative control of Govt.

(do not
 take out
 the
 stamp)

of the staff of the Electrical Department will work under the administrative control of the Board in connection with works which the Board will administer. The Public Works Department staff working in the Civil Divisions of the Electrical Department, will also continue on deputation with and under the control of the Board.

III. BUILDING AND OFFICE ACCOMMODATION:

The buildings and office accommodation that are now employed for (i) Construction Projects, (ii) The Electrical Inspectorate and (iii) other works of the Electrical Department including generation and transmission of power, maintenance and distribution, and development works, will continue to be so employed even after the formation of the Board, subject to such adjustments as may be made in consultation with the Board after it comes into existence. Detailed orders regarding other assets will issue in due course.

IV. S T O R E S:

The Construction Projects in various places in the State will be allowed to draw the Stores required for their purpose from the local or nearest Stores Units or from the Central Stores under the Board, subject to necessary financial adjustments. The Construction Projects Unit will, however, make arrangements as soon as possible for constituting its own Stores at the Project sites. To the extent the Construction Projects Unit is in need of stores for works at places other than Project sites or where it has not formed separate stores, the arrangements according to which it can draw stores from the nearest stores of the Electricity Board, will continue.

Separate orders have been issued regarding the financial and accounting arrangements in connection with the formation of the Board.

NOTICE

53)

Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the Administrative Control of the State Electricity Board or in the Hydro-Electric Construction Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board, corresponding in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority previously held by the Government employees in the department. The Board have also consented to continue the retirement benefits for the employees according to the terms to which they were eligible immediately prior to the formation of the Board and for this purpose, have agreed to count the service put in by the employees in the Electricity Department prior to the formation of the Board in the same manner as it would have been counted under the rules applicable to the Electricity Department immediately prior to the formation of the Board.

2. The officers and officials who are now working in Hydro-Electric Construction Projects or the Electrical Inspectorate and those who are on deputation in other departments of Government or on foreign service and who in terms of this notice, agree to enter the service of the Board will be treated as holding lien under the State Electricity Board and as if their services have been lent to such authority by the State Electricity Board on terms and conditions to be agreed upon between such authority and the Board.

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

4. This notice issues with the concurrence of the State Electricity Board.

M. N. VISWANATHA SETTY,
Under Secretary to Government,
Public Works and Electrical Departments.

N O T I C E

✓ Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the Administrative Control of the State Electricity Board or in the Hydro Electric Construction Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board, corresponding in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority previously held by the Government employees in the department. The Board have also consented to continue the retirement benefits for the employees according to the terms to which they were eligible immediately prior to the formation of the Board and for this purpose have agreed to count the service put in by the employees in the Electricity Department prior to the formation of the Board in the same manner as it would have been counted under the rules applicable to the Electricity Department immediately prior to the formation of the Board.

2. The officers and officials who are now working in Hydro Electric Construction Projects or the Electrical Inspectorate and those who are on deputation in other departments of Government or on foreign service and who in terms of this notice, agree

(continued)

to enter the service of the Board will be treated as holding a lien under the State Electricity Board and as if their services have been lent to such authority by the State Electricity Board on terms and conditions to be agreed upon between such authority and the Board.

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

4. This notice is issued with the concurrence of the State Electricity Board.

(PUBLIC WORKS DEPARTMENT).

Sub: Mysore State Electricity Board - Service Regulation - Exercise of option by the employees of erstwhile Electrical Department to serve under the Mysore State Electricity Board.

Ref: Correspondence ending with Letter No. 41-4222/30-61 dated 24th June 1965 from the Secretary, Mysore State Electricity Board, Bangalore.

DETAILS:

The Secretary, Mysore State Electricity Board, Bangalore has stated that service regulations of the Board have been printed very recently. The time granted to employees to exercise their option is 6 months from 1st January 1965. The service of option notices to employees is still continuing and they would naturally require time to go through the Service Regulations before exercising their option. Therefore, the Secretary, Mysore State Electricity Board has requested to extend the time limit by 3 months from 1.7.1965 for exercising option by the employees of the Board.

ORDER NO. P.D 45 979 66 DATED 21.7.1965:
 21.7.1965

In the circumstances Government are pleased to extend the time limit by three months from 1st July 1965 for exercising option by the employees of the erstwhile Electrical Department to serve under the Mysore State Electricity Board.

NOTICE

Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the Administrative Control of the State Electricity Board or in the Hydro-Electric Construction Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board, corresponding in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority previously held by the Government employees in the department. The Board have also consented to continue the retirement benefits for the employees according to the terms to which they were eligible immediately prior to the formation of the Board and for this purpose, have agreed to count the service put in by the employees in the Electricity Department prior to the formation of the Board in the same manner as it would have been counted under the rules applicable to the Electricity Department immediately prior to the formation of the Board.

2. The officers and officials who are now working in Hydro-Electric Construction Projects or the Electrical Inspectorate and those who are on deputation in other departments of Government or on foreign service and who in terms of this notice, agree to enter the service of the Board will be treated as holding lien under the State Electricity Board and as if their services have been lent to such authority by the State Electricity Board on terms and conditions to be agreed upon between such authority and the Board.

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

4. This notice issues with the concurrence of the State Electricity Board.

Abolition of posts in the Electricity Department.

With reference to your letter No.5226/Elecl. dated 21-6-58, printed copies of which were sent to me for distribution among the permanent employees of the Electricity Department working in the Government Electrical Inspectorate, I write to inform you that/copies have been distributed to them accordingly. After a preliminary study of that letter, many of the employees have made representations to me personally and in writing that the wordings of the letter and the time limit stipulated by it have caused considerable anxiety in their minds as to the consequences of exercising their option in writing within the stipulated period of 30 days from the date of receipt of the letter in question. They state that inasmuch as a hasty decision by them would seriously affect their whole career, they require more time to study the consequences of taking a decision in the matter. They, therefore, request that more time should be given to them to study the letter from Government in all its implications before they exercise their option.

According to para 268 of Chapter XVIII of the Mysore Civil Service Rules, 1958, it is stated that a reasonable notice of not less than 3 months should be given in the case of abolishing of posts. I am also of opinion that the notice of 30 days given is too short, and that they are entitled to a period of at least 3 months. I may add that in previous similar cases involving change of conditions of service like the Mysore Pension Rules, Government were good enough to give a notice of much more than 3 months.

Electrical

POST BAG No. 15

Bangalore-1, 14 August 1958.
(Mysore, S. India)

The Secretary to Government,
Public Works & Electrical Department,
Bangalore.

Sir,

Sub:- Notices proposed to be issued to the
Staff of the Mysore State Electricity
Board.

I am forwarding herewith a few representations of
Officers, requesting time for six months to express their
willingness or otherwise to serve the Board, for favour
of further disposal.

In the notice of Government - P.W.D.5726-Ele.
dated 21-6-1958, a period of thirty days from the re-
ceipt of the notice is given to express ones willing-
ness to serve the Board. It is also stated that if
no reply is received within that period, willingness
will be presumed.

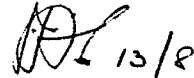

Under Note (2) to Rule 64 of the Mysore Pension
Rules 1957, unless it (Notice) contains an express state-
ment to the contrary, an order for the abolition of an
office or appointment shall not be brought into opera-
tion till the expiry of three months after notice is giver
to the Government servant whose services are to be dis-
pensed with on such abolition. Even for introduction of
new rules of service, six months to one year's time have
been given to Government servants to elect for such rules.
In certain cases such specified periods have also been
extended on representations of Non-Gazetted Officers'
Association.

70)

The change of service from Government to Board is a vital change for all the officers and officials of the Government Electricity Department.

In these circumstances, I feel a reasonable time, at least three months before dispensing with the services of the officers and officials from Government service as required under Rule 64, should be given by the Government, from the date of notice.

Yours faithfully,

 13/8

(J.L. D'SA)

Chief Engineer, Electricity.

71/

The Chief Engineer, Electricity,
Mysore State Electricity Board,
Bangalore.

Sir,

I write to state that I have this day received a notice from the Secretary to Government of Mysore, Public Works and Electrical Department, Bangalore, in his letter No.PWD/5726-Elc. dated 21-6-1958, which requires to express my willingness to enter into the service of the Mysore State Electricity Board within a period of 30 days from the receipt of this notice.

As this is a very important question, I would request you to move the Secretary to Government, Public Works and Electrical Department, to give us six months' time to express our willingness or otherwise to enter the service of the Board after considering all pros and cons and the terms which have been mentioned in the notice.

D. O. No. C. 14.

Dear Sir,

Re: Exercise of option by the employees
of the erstwhile Electricity Deptt.

With reference to the D.O.No.1388-410 of 19-7-58 (received on 9-8-58) forwarding therewith the forms in connection with the exercise of option by the employees of the erstwhile Electricity Department, I write to state that quite a number of employees have expressed that the matter being an important one they would prefer to have some more time to give deep consideration to the matter. I have also felt that the matter deserves rather serious consideration and that therefore the time of one month contemplated in the notice before which the choice should be communicated is very inadequate.

I would therefore request that you will be kind enough to obtain an extension of time for this purpose -- a period of atleast ~~three~~ months would be necessary. It is hoped that in that event the employees will be able to give careful consideration to all the aspects involved in this connection and come to a considered decision.

The requests for time received from the subordinate officials have been filed in this Office and will be forwarded if required.

Yours sincerely,

Sri J.L. D'Sa, B.E.,
B.Sc.(Hons.)(Lond.),
Chief Engineer, Electricity,

Bangalore-1 12th August 1958.

(MYSORE, S. INDIA)

The Chief Engineer, Electricity,
Mysore State Electricity Board,
Bangalore.

Sir,

Sub: Willingness to enter into the
service of the Mysore State
Electricity Board.

--

With reference to letter No. PWD 5726-Elec.
dated 21-6-1958, of the Secretary to the Govern-
ment of Mysore, Public Works & Electrical Depart-
ment, Bangalore, I write to request that the
Government may be moved to extend the period
for expressing my option by six months as it is
a very complicated subject and requires deep
thinking and decision.

Yours faithfully,

Purchase Officer,
Mysore State Electricity Board.

MA/-
12/8

business to enter into the services of the State Electricity
I write to state as follows:-

1) The period of 30 days granted in the above communication is not sufficient and a longer period is necessary. Further, in all previous cases non-intimation of concurrence to new conditions of services was always taken to signify that the Government servant has opted to stay under the old conditions of service. Hence non-receipt of concurrence within the time specified cannot be taken to mean concurrence to the modified terms of service.

2) No alternative in the case of a person who does not wish to opt to the Board Service is indicated. This will have to be done now. In previous instances where offices under Government were similarly abolished, the incumbents were given the option to retire under liberalized rules of pension. In this connection the parallel of the Burmah pensioners during the partition of Burmah and liberalized pension rules to the I.C.S. officers during the transfer of power is valid. It is requested that in this connection a minimum period of 2 years may be reckoned for every 5 years of completed service subject to a maximum of 10 years for persons who desire to retire and do not wish to opt to Board Service.

3) Though it is stated that the State Electricity Board have agreed that the change does not mean any loss of seniority previously held an assurance that the Board will not make any direct recruitment to appointments above the rank of the lowest rank where recruitments are usually made is necessary to safeguard the seniority and service conditions of the individuals.

4) At present the Government servants have a right to appeal. This right of appeal to Government regarding seniority and service conditions under the Board should be guaranteed.

5) Pensions and emoluments of all the present Government employees should be guaranteed by the Government.))

6) All benefits and improvements in terms of service etc., as granted by Government to those employees from time to time should also be granted to the transferred employees during their term of service in the Board.

A final reply can only be sent after the clarifications to the above points are received.

W. H. & I. B. C. Davis & Co.

a copy of D.O. letter No.G.9551/58-59 dated 12-8-58
of Sri B.M. Saffiulla, General Manager, Government
Electric Factory, requesting three months' time
to express his willingness to enter into the ser-
vices of the State Electricity Board, for favour
of information and disposal.

Yours faithfully,

(J.L.D'Sa)

Chief Engineer, Electricity

76

Copy of D.O.letter No.G.9551/58-59 dated 12-8-1958 from Sri B.M.Safiulla, General Manager, Government Electric Factory, Bangalore, to Sri J.L. D'Sa, Chief Engineer, (Electricity), M.S.E.B, Bangalore.

Sub:- Option of employees of Electricity Department for Mysore State Electricity Board.

Ref:- Your D.O.No.1691-4 dated 9-8-58.

I wish to acknowledge receipt of copy of notice of Government in their No.PWD-5726-E&c. dated 21-6-58. Though the notice is dated 21-6-58 and the same is found to have been signed by Sri B.C.Angadi on 13-7-58, I presume that the time of one month allowed for exercising the option is to be counted from the date of receipt of the notice, viz., 11-8-58, this being the date on which the same has been received by me. This apart, it is felt that the matter has to be fully examined before a decision could be arrived at and the time of one month appears to be rather too short. I request that a period of atleast 3 months may kindly be allowed to communicate my option.

One copy of the notice is herewith returned as desired duly acknowledged.

for Chief Engineer,
Electricity

268. Reasonable notice should be given to a Government servant in permanent employ before his services are dispensed with on the abolition of his office. If in any case, such notice is not given at least three months before dispensing with the Government servant's services, and he shall not have been provided with some other employment on the date on which his services are dispensed with, then with the sanction of Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months shall be paid to him, in addition to the pension to which he may be entitled under Rule 259; but the pension shall not be payable for the period in respect of which he receives a gratuity in lieu of notice.

Note 1:- The gratuity prescribed in this Rule is not granted as compensation for loss of employment but only in lieu of notice of discharge with a view to mitigate the hardship caused to a Government servant by the sudden loss of employment. When therefore, a Government servant discharged without notice is provided with some other employment on the date on which his services are dispensed with, whether that employment be in qualifying or non-qualifying service, he is not entitled to any gratuity.

No.2:- Unless it contains an express statement to the contrary, an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months after notice has been given to the Government servant, whose services are to be dispensed with on such abolition. The immediate head of the office or of the department will be held responsible that there is no unnecessary delay in giving such notice. In the case of a Government servant on leave the order shall not be brought into operation until the leave expires.

Note 3: "Emoluments" in this rule means the emolument of

leave allowance (or partly the one, partly the other) which the Government servant would be receiving during the period in question, had the notice not been given him.

64. Reasonable notice should be given to a Government servant in permanent employ before his services are dispensed with on the abolition of his office. If in any case, such notice is not given at least three months before dispensing with the Government servant's services, and he shall not have been provided with some other employment on the date on which his services are dispensed with, then with the sanction of Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months, shall be paid to him, in addition to the pension to which he may be entitled under Rule 55; but the pension shall not be payable for the period in respect of which he receives a gratuity in lieu of notice.

Note 1:- The gratuity prescribed in this Rule is not granted as compensation for loss of employment, but only in lieu of notice of discharge with a view to mitigate the hardship caused to a Government servant by the sudden loss of employment. When, therefore, a Government servant discharged without notice is provided with some other employment on the date on which his services are dispensed with, whether the employment be in qualifying or non-qualifying or non-qualifying service, he is not entitled to any gratuity.

Note. 2:- Unless it contains an express statement to the contrary, an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months after notice has been given to the Government servant, whose services are to be dispensed with on such abolition. The immediate head of the office or of the department will be held responsible that there is no unnecessary delay in giving such notice. In the case of a Government servant on leave the order shall not be brought into operation until the leave expires.

Note. 3:- "Emoluments" in this rule means the emoluments or leave allowances (or partly the one, partly the other) which the Government servant would be receiving during the period in question, had the notice not been given him.

MYSORE STATE ELECTRICITY BOARD EMPLOYEES UNION (REG NO. 234)

Extract of Resolutions passed at the First Annual Conference of the Mysore State Electricity Board Employees Union held on 17th August '58 at Bangalore :-

1. Resolved to request the Government and the Mysore State Electricity Board to clarify the following, resulting from the transfer of Employees from Govt. Service to Board service and abolishing the lien in the Government:-
 - a) Continuity of other benefits not mentioned in the Notice.
 - b) Definite date of abolishing the posts under Government.
 - c) Position of the Employees who do not opt to Board Service.
 - d) Future service conditions of the Employees
 - e) The position of the employees who are not served with notices.

Further resolved to request the Government to grant THREE months time to each employees to express his option or otherwise after the clarification of the above matters.

2. Resolved to request the Government to constitute the State Electricity Consultative Council and Local Advisory Committees immediately as required under sections 16 and 17 of the Electricity Supply Act 1948, with due representation of the representatives of the Union.

Copy of letter NO. 114/02 dated 11/11/62 from the President, Mysore State Electricity Board Employees' Union, Bangalore, the Minister for Labour, Government of Mysore, Vidhana Soudha, B'lore.

Sub: Grievances of the employees of the M.S.E.B.
represented by the M.S.E.B. employees union.

It is with deep sence of regret we have to approach you again, having exhausted all the means of peaceful approaches to find solutions for the grievances and problems of the workers of this Industry.

You might quite remember that you had called for a meeting on 18th August 1962 in your chambers, of the representatives of this union and the officers of the M.S.E.B., to discuss on certain issues which this union had raised and had decided to observe a "PROTEST WEEK" which of course was called off on your advise. You were kind enough to give a solution after detail discussions with the representatives present in the meeting. But to our surprise we find that not even a single item which you had decided in that meeting has been taken into consideration by the Board even though it is over four months now. On the other hand the Board is creating more and more problems due to their unsound programmes and policies which few of them we desire to enumerate below for your kind information.

YARD STICK AND REORGANISATION:

The Board during 1961 unilaterally decided to introduce the yard stick through out of the State. Consequent to which about 25% to 30% of the men working in the Divisions and Sub-Divisions would be rendered surplus. The evolution of this yard stick is neither based on the work load of the concerned divisions and Sub-Divisions nor asessed scientifically. This is only a proposal of a individuals officer and the board had oked it without assessing the consequences in this regard. This Union opposed this introduction and even most of the divisional officers have also expressed their desire to scrap the introduction of this yard stick in their divisions as they would not be able to manage the work with the reduced staff satisfactorily. On our persistent agitation the Board ultimately decided to keep the introduction under abeyance some where during May 1962. But today the position is that, eventhough the Board has decided to keep this application of "Yard Stick" under abeyance, the application is being made in other ways i.e. whatever the vacancies that arise due to retirement or promotions etc. are kept vacant thus putting a stop for promotional chances and also reducing the strength to that extent. As it is there are hundreds of places kept vacant thus creating discontentment among the rank and file of the working class. As a matter of fact since last one year and more there are no promotions at all in the cadre of maintenance employees. This is a very unfair attitude, so much so most of the deserving men who should have got promotions are deprived of their chances. The work load having been doubled due to reduction of staff is an additional burden that has been put on the workers. During the meeting we had with you in August 1962 in this regard it was suggested by you that the Board was fixing work load and the introduction of yard stick was not considered by Committee to be appointed for this purpose. In the meanwhile the statusque be maintained without trading on this score, this suggestion of yours seem to have no weight in the Board. As a result of which the employees are put to unnecessary hardship and harassment. To cite an instance under the name of re-organisation in Jog General Station about 95 workers have been rendered surplus and they are being thrown out to far off places. We are sure that there will be some trouble there if nothing is done with these poorly paid workers. Our approach

The question of
extension of time is

To

THE SECRETARY,
TO GOVERNMENT OF MYSORE,
PUBLIC WORKS & ELECTRICAL DEPARTMENT,
WILHAN SOU HA,
BANGALORE.

Sub:- Option of Govt., Employees in Govt.,
Electrical Department for the Services
of M.C.C. Board owing to the abolition
of Posts in the Electrical Department.

Ref:- Your Notice F.W.D. 5726-Elec. Dt. 21-6-58.

Sir,

I am in receipt of your notice which reached me
on 7-8-1958 A.N. In this connection, I would like to
request you to please consider the following points and
clarify the same so as to enable me to decide on the
above.

Sir, according to para 268 of Chapter XVIII of
M.C.C.B. 1958, it is stated that a reasonable notice
of less than 3 months should be given in the case of
abolition of posts. In stipulated time i.e. 30 days,
given now I am short to decide the above matter. Hence,
I request you Sir please grant the above matter. Hence,
i.e. 3 months at least on the date of notice
so as to enable me to decide on the date of notice,
it cannot be done so hastily as the importance of notice,
my whole career in my future life. as I fear.

The wordings in the notice (Para 1/2)
and understandable to me. The Electrical Inspector clear
Section in which I have been working since my appointment
and wherein my services have been confirmed by the former
State (Old Bombay Government); is, and will be, under the
complete control and administration of the State Govt., only
Thus when the Electrical Inspectorate Section together
with its posts is still existing and running under the
control of State Government as it was, before formation
of Mysore State Electricity Board, it is not understood
the propriety, in abolishing my lien on the said post
(1.....2)

to which I have been attached. It appears that in my case the question of abolishing the lien does not arise, as my services to the post in the Electrical Inspectorate, have not really been abolished; but the same will be continued as the Electrical Inspectorate which will be controlled and administered by State Government only and not by the M.C.E.Board. Under the circumstances, I request you honour to please consider my points and clarify as to whether the serving of above notice is applicable for me; or the notice has been issued to me through oversight.

Sir, your detailed clarifications on the following points are also requested.

- 1) If I express my unwillingness, what will be my position in my services? Can I not be given a suitable post equal in rank and emoluments of those of present, in any other Government Department and made continued with the same conditions of services?
- 2) Is it binding on one and all to express our willingness for the option to Board Services? If so, and if I express my willingness, what written guarantee the Mysore State Government can give me for the protection of my service in case the Mysore State Electricity Board, which is a Statutory body, is abolished and I have me without service.

I am a Government Employee in P.W.D. Electrical Department. My services have been affected by State-Re-organization. My services were continued by State-Re-organization with a 16% cut in my pay, by the former Bombay State with a view to avoid the risk of selecting the loss of pay lien formed in State Government only. And to get my it is not possible for me to take any hasty decision above matter when I am ignorant of all the above facts which are to my disadvantage, and may lead to my future life spoiled.

Hence, I request you Sir, to please consider my request and grant me an extension of the limit of three months and the clarifications that I have sought, so as to enable me sufficiently to study seriously the consequences of taking a decision in the matter. For this kind act I shall much oblige, and remain grateful to your Honour.

Thanking you Sir,

F.T.O.....

Subject; - Option of Govt employees to the
services of M.S.E. Board.

Ref; - Your Notice P.W.D. 5726-Elec
dated 21-6-58.

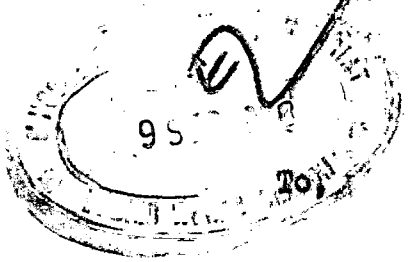

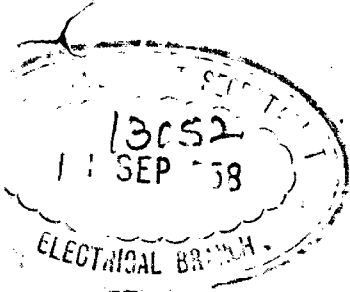

Sir,

With reference to above and in continuation
to my representation dated 25-8-58, I have to
state as under.

Sir, I am a Govt employee of Bombay Govt
P.W & Electrical Department and my services in
the present post have been confirmed with 16% cut
in pay. Due to Re-Organisation of States my services
have been transferred to the Mysore Govt with a
protection of our services and conditions etc in
present Govt by which I have been much affected
as this was not a willing transfer. There are
numerous posts of clerks in other Govt Departments
in Mysore State. Since I have been much affected
by S.R.C and my services have been protected under
S.R.C Act; and in case my present post in Electrical
Dept is abolished; I will have right to claim
on any other Govt Post of my cadre equal in rank
Emoluments and with similar conditions at present.
Thus the abolition of my max Lien in Govt service
in case the abolition of the present post is
effected; will be contrary to the protection assured
in S.R.C Act.

THE SECRETARY
GOVT. OF MYSORE

Copy of letter No.3858 dated 18th August 1958 from Sri R.A.Francis Joseph, Superintending Engineer (Electrical), Lift Irrigation Scheme, Bangalore, to the Chief Engineer, Electricity, M.S.E.B., Bangalore.

Sub: Sri R.A.Francis Joseph, Superintending Engineer, L.I.S.(Personal) - Entering into the service of the Mysore State Electricity Board.

Ref: Letter No.PWD 5726-Elc.dated 21.6.1958, addressed to the undersigned by the Secretary to Govt. of Mysore, P.W.D. & Electrical Department.

With reference to the above letter, forwarded to me from your office, I write to state that I received the same on 14th August 1958. Since the time given is short, I would request you kindly to address Government to give three months' time from the date of receipt of this notice. I, however, suggest for your kind consideration, that instead of giving time limit fixing different dates to the various individuals to send their reply, the Government may be addressed to give three months' time from the date of serving notice to the last departmental employee, as this will definitely fix up the last date without any confusion.

The notice is duly acknowledged and returned herewith for your kind needful.

Copy of letter dated 18th August 1958 from Sri M.R. Arya, B.E., M.I.E., Superintending Engineer (Electricity), OOD. General Manager & Secretary, Radio & Electricals Mfg. Co., Ltd., Bangalore-2 to the Chief Engineer (Electricity), M.S.E.B., Bangalore.

- -

Re: Option of employees of Electricity
Department for Mysore State Ele-
ctricity Board.

I acknowledge receipt of your D.O. letter No. 1691-2 dt. 9th August 1958 together with two copies of the notice of Government (No. PWD. 5726-Elec. dt. 21-6-1958), sent to me by you under instructions from the Mysore State Electricity Board. I am returning herewith one copy of the notice duly signed as desired by you to your personal address.

In this connection I have to state that the period of one month given in the notice to decide about opting my services to the State Electricity Board is too short as the issues involved are very complicated and require some more time for me to come to a decision. It may not be out of place if I should mention here that in the midst of heavy work connected with the management of this factory, I find it difficult to come to a decision on such a vital matter in such a short period as one month. I would therefore request you kindly to address the authorities concerned to grant me at least a period of three months for intimating my decision to opt to the service of the Board. I shall be highly thankful to you for necessary action in the matter.

I have also to mention here that the notice to be served on Shri C. Balakrishna, Asst. Engineer (Electricity) working as works Manager in this organisation has not been received.

CHAIRMAN

BANGALORE - I

Dear Sri Srinivasachar,

Sub: Notice regarding transfer of service
personnel - Replies received

In response to the notice issued by Government to the personnel of the erstwhile Electricity Department, replies are being received from numerous officials in the printed form (copy enclosed). I understand that these forms have been got printed by and are being used en masse at the instance of some organisation.

It appears to me that the request made therein for grant of "at least three months time after the Board Service Rules are framed" before exercising the option, appears to be mere temporising and does not serve any useful purpose, because any Service Rules which may be framed by the Board will apply only to personnel recruited after the Board was formed. As regards Departmental personnel proposed to be transferred, it has been made clear that the Governmental Service Rules will continue to apply and ample safeguards have been given that they will not be altered to the prejudice of the transferred personnel.

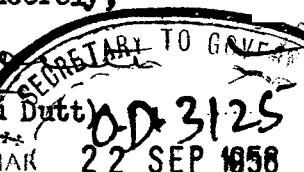

In these circumstances, I request you to be so good as to have this issue examined and decided in such manner as Government may deem fit.

With kind regards,

Yours sincerely,

Sri D.K.Srinivasachar, I.A.S. (Retd.),
Secretary to the Government of Mysore,
P.W. & Electrical Departments,

PROPER CHANNEL

SIR,

With reference to your letter No. PWD. 5726-Elec. dated 21st June 1958 asking me to signify my willingness to enter into the service of the Mysore State Electricity Board, I write to state as follows:

1. The period of 30 days granted in the above communication is very short. A longer period is necessary to enable me to obtain clarification on the several issues which arise consequent to the proposed transfer of my services to the board. It is, therefore, requested that non-receipt of concurrence within one month as specified in the notice may not be taken to mean concurrence to the modified terms of service. Such a concession is given to Government servants under Rule 268 of M.C.S.R. 1958.

I may also be permitted to state in this connection that though Section 60 of the Electricity (Supply) Act, 1948 pertains to the transference of debts, obligations, etc., from Government to the Board, it cannot be taken to mean automatic transference of services which are governed by the law relating to master and servant and also by the provisions of the Constitution. Kind reference is also invited to Rule No. 419 (a) of M.C.S.R. 1958. It is, therefore, submitted that individual written concurrence is necessary before such a transfer of a Government servant to the Board can be effected.

2. I would request you to kindly inform me as to what is the alternative given to me in case I do not wish to opt for the Board service. The term "appointment" in Rule 259 (b) of M.C.S.R. 1958 can only mean appointment under Government.

I wish to submit that in previous instances where offices under Government were abolished, the incumbents were given the option to retire under liberalised rules of Pension, as in the case of Burma pensioners during the partition of Burma and the liberalised Pension rules to the I.C.S. Officers during the transfer of power.

3. While it is stated in your communication that the State Electricity Board have agreed that the change does not mean any loss of seniority previously held, I request that an assurance may also be given by the Government that the Board will not make direct recruitment to appointments above the lowest rank where recruitments are usually made.

What is requested now is only in conformity with what is already being followed by the Government in the Electricity Department.

At present, the seniority of recruits to the Electrical Department is governed by the Seniority Rules of the Government of Mysore (vide Notification No. GAD (OM) 14 GRR 57 dated 7-2-1958). The seniority is arranged by the appointing authority in consultation with the Public Service Commission and the decision on such seniority is final (vide Rule 5 of the Seniority Rules). Therefore, such a consultation by the Board with the Public Service Commission may kindly be guaranteed to me in case of appeal against loss of seniority and other disciplinary matters.

101/

5. I request that Government should also guarantee continued employment to me in the same manner as if I continued under Government Service, in addition to the Board's guarantee.

6. I request that Government may guarantee that, if at any time in future the Board wishes to form its own rules and regulations governing service conditions, they should not be less favourable than the rules and regulations which are at present governing my service under the Government.

7. I request that Government may kindly move the Board to extend to me all the benefits such as pay and allowances and other conditions of service as now enjoyed by me under Government service. The Board may also be moved to give me the benefits of increased emoluments which may be sanctioned by Government from time to time for similar posts in the Public Works Department.

8. I request that Government should also guarantee the payment of my Pension/Provident Fund, in addition to the Board guaranteeing the same.

9. If I decide to opt to the Board service, I may be permitted to receive any increased emoluments which the Board may sanction from time to time.

10. At present, I am enjoying certain privileges such as Free Medical Aid, House Building Advance, etc., under Government. I request that the Board may be moved to continue such privileges.

In this connection I also wish to bring to the kind notice of Government that in other States, where similar Electricity Boards have been formed, certain concessions have been given to the transferred personnel to see that they do not suffer by the transference of their services to a non-Government organisation.

Particular reference is invited to the concessions extended by the Kerala State and the west Bengal State.

I request that Government may be pleased to consider sympathetically my requests mentioned above.

After receipt of a reply from Government I shall communicate my option or otherwise for my transference to the Board Service within two months thereafter.

Yours Faithfully,

'B' Type of Representation

Bangalore, 1.

Sir,

Subject: Willingness to serve the Mysore State Electricity Board
Reference: Notice of Government issued through the Chief Engineer,
Mysore State Electricity Board

The above notice issued through the Chief Engineer (Electricity) has reached me today, the 15th October, 1958. I have noted all the conditions mentioned therein and before indicating my willingness to serve the Board, I would like to know what action the Government proposes to take in cases where a Government Servant is unwilling to serve the Board.

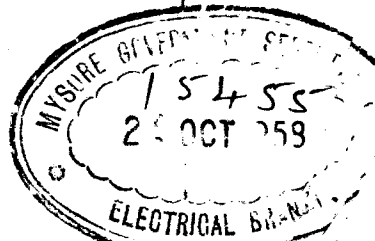

I should be grateful if you would kindly inform me if, in the above circumstances, he will be asked to retire as per Government rules taking proportionate pension depending on the length of service put in. I may kindly be informed if such a choice is open to the Government Servant in the Electricity Department, and if so, the minimum qualifying service necessary to entitle a Government Servant to proportionate pension.

I have put in twelve years of service and should be very grateful if the Government informs me of the conditions on which I can retire should I decide to do so and the pensionary benefits which I will get. On receipt of this information, I will indicate my willingness to serve the Electricity Board.

Considering the fact that I have received this notice just today, it is requested that my reply may please be considered as having been made in time.

Yours faithfully,

Azlul Haque

PROPER CHANNEL

SIR,

With reference to your letter No. PWD. 5726-Elec. dated 21st June 1958 asking me to signify my willingness to enter into the service of the Mysore State Electricity Board, I write to state as follows:

1. The period of 30 days granted in the above communication is very short. A longer period is necessary to enable me to obtain clarification on the several issues which arise consequent to the proposed transfer of my services to the board. It is, therefore, requested that non-receipt of concurrence within one month as specified in the notice may not be taken to mean concurrence to the modified terms of service. Such a concession is given to Government servants under Rule 268 of M.C.S.R. 1958.

I may also be permitted to state in this connection that though Section 60 of the Electricity (Supply) Act, 1948 pertains to the transference of debts, obligations, etc., from Government to the Board, it cannot be taken to mean automatic transference of services which are governed by the law relating to master and servant and also by the provisions of the Constitution. Kind reference is also invited to Rule No. 419 (a) of M.C.S.R. 1958. It is, therefore, submitted that individual written concurrence is necessary before such a transfer of a Government servant to the Board can be effected.

2. I would request you to kindly inform me as to what is the alternative given to me in case I do not wish to opt for the Board service. The term "appointment" in Rule 259 (b) of M.C.S.R. 1958 can only mean appointment under Government.

I wish to submit that in previous instances where offices under Government were abolished, the incumbents were given the option to retire under liberalised rules of Pension, as in the case of Burma pensioners during the partition of Burma and the liberalised Pension rules to the I.C.S. Officers during the transfer of power.

3. While it is stated in your communication that the State Electricity Board have agreed that the change does not mean any loss of seniority previously held, I request that an assurance may also be given by the Government that the Board will not make direct recruitment to appointments at the lowest rank where recruitments are usually made.

What is requested now is only in conformity with what is already being followed by the Government in the Electricity Department.

At present, the seniority of recruits to the Electrical Department is governed by the Seniority Rules of the Government of Mysore (vide Notification No.GAD (OM) 14 GRR 57 dated 7-2-1958). The seniority is arranged by the appointing authority in consultation with the Public Service Commission and the decision on such seniority is final (vide Rule 5 of the Seniority Rules). Therefore, such a consultation by the Board with the Public Service Commission may kindly be guaranteed to me in case of appeal against loss of seniority and other disciplinary matters.

5. I request that Government should also guarantee continued employment to me in the same manner as if I continued under Government Service, in addition to the Board's guarantee.

6. I request that Government may guarantee that, if at any time in future the Board wishes to form its own rules and regulations governing service conditions, they should not be less favourable than the rules and regulations which are at present governing my service under the Government.

7. I request that Government may kindly move the Board to extend to me all the benefits such as pay and allowances and other conditions of service as now enjoyed by me under Government service. The Board may also be moved to give me the benefits of increased emoluments which may be sanctioned by Government from time to time for similar posts in the Public Works Department.

8. I request that Government should also guarantee the payment of my Pension/Provident Fund, in addition to the Board guaranteeing the same.

9. If I decide to opt to the Board service, I may be permitted to receive any increased emoluments which the Board may sanction from time to time.

10. At present, I am enjoying certain privileges such as Free Medical Aid, House Building Advance, etc, under Government. I request that the Board may be moved to continue such privileges.

In this connection I also wish to bring to the kind notice of Government that in other States, where similar Electricity Boards have been formed, certain concessions have been given to the transferred personnel to see that they do not suffer by the transference of their services to a non-Government organisation.

Particular reference is invited to the concessions extended by the Kerala State and the west Bengal State.

I request that Government may be pleased to consider sympathetically my requests mentioned above.

After receipt of a reply from Government I shall communicate my opinion or otherwise for my transference to the Board Service within two months thereafter.

Requests made in the printed representation.

Remarks of the Branch 2

Remarks of the Under Secretary

A longer period is necessary to enable to obtain clarification on the several issues. Such a concession is given to Government servants under Rule 268 M.C.S.R. 1958.

Individual written concurrence is necessary before transfer of a Government servant to the Board can be effected.

What is the alternative given to the employee in case he does not opt for the Board service.

That an assurance may also be given regarding seniority that the Board will not make direct recruitment to appointments above the lowest rank where recruitments are usually made. The Board should consult the P.S.C. in case of appeal against loss of seniority and other disciplinary matters.

The Government should also guarantee continued employment ~~xxxx~~ in the same manner as if continued under Government service in addition to the Board's guarantee.

That if at any time in future the Board wishes to form its own rules and regulations governing service conditions, they should not be less favourable than the rules and regulations which are at present governing service under the Government.

The Board should extend all the benefits such as pay and allowances and other conditions of service as now enjoyed under Government service. The Board may also be moved to give ~~the~~ the benefits of increased emoluments which may be sanctioned by Government from time to time for similar posts in the Public Works Department.

The Government should also guarantee the payment of Pension/Provident Fund, in addition to the Board guaranteeing the same.

Rule 268 of M.C.S.R. does not appear to ^{apply to} cases where an order of an abolition of office is not yet passed.

The notice issued to each one of the employees provides for this.

This question can be taken up for examination after some employees do not opt to Board service.

While guaranteeing the service conditions, the Board has agreed to maintain the existing rules of promotion, etc. to higher places, as it existed prior to the formation of the Board. Any new rules to be made by the Board will only be applicable to new entrants and not to existing personnel.

After the formation of the Board it does not consult the P.S.C. and is formulating its own rules of recruitment.

This will not be necessary, as the Board has guaranteed it.

As already stated above, the new rules to be framed by the Board will only be applicable to the new entrants and not to the existing personnel.

Neither the Government nor the Board can guarantee these.

As the Board has already given its concurrence to guarantee this, no separate guarantee by Government will be necessary.

Rule 268 M.C.S.R. does not apply as this abolition of office but the transfer of personnel, control of this has already been done.

This question requires consideration as it may be possible to have an alternative in case a service.

In view of already formed of the Board appears to

BANGALORE-1

Dated 26 AUG 1959

Surya
V.D.

K. Srinivasachar, I.A.S.,
Secretary to Government,
P.W. & Elec. Dept.

MYSORE GOVERNMENT SECRETARIAT,
Bangalore, Dated 19th September, 1959.

D.O.No.P.A. 404.

Dear Shri

You are probably aware that the Government of Mysore constituted the Electricity Board in accordance with Section 5 of the Electricity Supply Act with effect from 1-10-1957. Since then the question of transfer of the personnel serving in the former Electricity Department of the State has been engaging the attention of this Government. A decision has been taken that although Government have kept under their direct control certain items of work like Hydro-Electric Construction Projects there should only be one cadre under the State Electricity Board from which personnel may from time to time be borrowed by the Government for its purposes. Government were advised that under the provisions of the Constitution it would be necessary for Government to issue a Notice to all the employees of the former Electricity Department asking them to exercise their option in favour of serving under the State Electricity Board or otherwise. I understand however that in your State the transfer of staff belonging to the State Electricity Department was effected without going through any such formality. If this position is correct, I shall be grateful if you will let me have details of the mode of transfer. Information as to whether any of the staff were not absorbed in the State Electricity Board and whether in such cases compensation was paid would also be helpful. Copies of orders if any issued in this behalf may kindly be sent if there be no objection.

p.t.o.....

115)

2. As this Government wish to take a decision o
matter very early I shall be obliged if you would
have an early reply.

Yours sincerely,

R. K.

Dear Sri Srinivasachar,

Sub:- ESTABLISHMENT - Electricity Department - Constitution
of Madras State Electricity Board - Transfer of
personnel to Board's service - Regarding.

Ref:-Your D.O.No.PA.404 dated 19-9-59.

With reference to your D.O. cited, I am to enclose herewith a
copy of this Government's proceedings Ms.No.538 dated 25-2-58 which
explains in detail the mode of transfer of the employees of the former
Electricity Department of this Government to the Madras State Electricity
Board. It may be seen from the proceedings that the employees were given
option to serve under the State Electricity Board or to do otherwise. I
am to add that in regard to the personnel who have not opted to serve under
the Board the proposals called for in para.4 of the proceedings are still
awaited from the Chief Engineer (Electricity). Pending the issue of final
orders on the proposals of the Chief Engineer (Electricity), the Madras
State Electricity Board has been requested to continue in its service
members of the staff of the Government Electricity Department who have
not opted to serve the Board. In certain individual cases however, Govt.
have issued orders retrenching from service certain permanent
Engineers who have expressed their unwillingness to serve under the
Madras State Electricity Board and who could not be absorbed in any permanent
post in Government service after 1-7-1957.

2 put Encl:-Copy of G.O.Ms.538 P.W.

Copy of G.O.Ms.No.538 P.W.dated 25-2-58: ~~f=em~~

Sub:- Establishment - Electricity Department - Constitution of
Madras State Electricity Board - Transfer of personnel to Board's
service - Orders - Issued.

Read: again:- G.O.Ms.No.2285 P.W.dated 12-6-57
G.O.Ms.No.3029 P.W.dt.6-9-57.

Read also:- From the Chief Engineer (Electricity) No.2395-A/57-6 dated
12-6-57.

Order:-

Consequent on the formation of the Madras State Electricity Board with effect from 1-7-57, the Government have examined the question of transfer of the personnel of the Government Electricity Department to the service of the Board and they have decided as follows:-

- (i) The personnel of the Government Electricity Department (except the staff required for manning the Electrical Inspectorate, which functions under the direct control of the State Government), who opt to serve the Madras State Electricity Board, will be transferred to the service of the Board from 1-7-57, without any lien in Government service; and
- (ii) As regards persons who are not willing to be transferred to the service of the Board, temporary members of the staff of the Government Electricity Department, who decline to serve under the Electricity Board, will be discharged from service while in the case of permanent members, they will be ~~observed~~ ^{absorbed} elsewhere to the extent possible or retrenched with benefits of gratuity or pension; as the case may be.

2. The personnel belonging to the other Departments of the Government whose services have been lent to the Electricity Department, will be treated as having been deputed to the Madras State Electricity Board on foreign service terms, with effect from 1-7-57. Similarly, personnel of the Electricity Department who are now serving in other Departments of the Government or deputed to other Governments or organisations or Municipal Councils will be treated as having been lent by the Board to the Government or organisations or municipal councils as the case may be from 1-7-57.

3. The Madras State Electricity Board is requested - (i) to frame the regulations to be made by it relating to its staff under Section 79(c) of the Electricity Supply Act, 1948, in such a way as not to prejudicially affect the interests of the staff to be absorbed into its service; and

(ii) to give option to the staff transferred to its service from Government service, to continue to enjoy the service conditions under the Government, whenever any change thereof is given effect to by the Board

4. The Chief Engineer (Electricity) is requested to furnish detailed particulars of persons who have expressed their unwillingness to serve the Board and to submit proposals to the Government for the payment of pension or gratuity as the case may be, to persons who will have to be retrenched.

5. The following notification will be published in the Fort St. George Gazette:-

p.t.o.

NOTIFICATION.

In exercise of the powers conferred by the proviso. to Article 309 of the Constitution of India, the Governor of Madras hereby directs that with effect on and from the 1st July 1957, the personnel of the Government Electricity Department who have opted to serve under the Madras State Electricity Board would cease to be governed by the conditions of service applicable to them in pursuance of the rules and orders made by the Government.

P. B. No. 65

TRIVANDRUM—1.

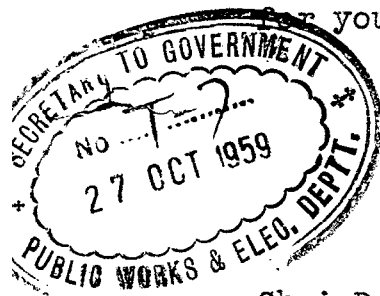

Date ~~28th~~ 22nd October, 1959.

Dear Shri Srinivasachar,

CFP 113

With reference to your D.O. letter No. P.A.304 dated 19th September, 1959 on the question of transfer of personnel to the Electricity Board, I am to inform you that when the staff of the erstwhile Electricity Department of the Kerala State were transferred to the Kerala State Electricity Board, no such formalities as mentioned in your letter were undergone. However, the employees were given certain guarantees by the State Government. A copy of the Government order No. EL.1-4670/57/PW dated 3rd April 1957 issued in this regard is herein enclosed for your information.

OR
D.S.P.W.

GOVERNMENT OF KERALA
Public Works Department (Electricity)
PROCEEDINGS

PROCEEDINGS DATED Trivandrum, 3rd April 1957

Sub:- Establishment, - Transfer of personnel in the Electricity Department to the control of the Kerala State Electricity Board with effect from 1-4-1957 - ordered.

Read letter No.GB.1-1212/57 dated 15-3-57 from the Chief Engineer(Electricity).
ORDER EL.1-4670/57/PW.

Consequent on the formation of the Kerala State Electricity Board with effect from 31-3-1957 A.N, the Chief Engineer, Electricity submitted proposals for transferring the staff working in the Electricity Department to the control of the Electricity Board with effect from 1-4-1957 F.N. as there is no necessity for the continuance of the Electricity Department and staff under Government after the formation of the Board. The Government have examined this question in detail and are pleased to direct that the staff now working in the Electricity Department will be transferred to the control of the Kerala State Electricity Board with effect from 1-4-1957 F.N. subject to the following safeguards and principles:-

(1) Such of the staff as have got lien only in the Electricity Department and not in any other Department of Government, will be treated as permanently transferred to the control of the Board as from 1-4-1957 F.N.

(2) The Board should guarantee continued employment to all such personnel in the same manner as Government would have done if the Electricity Department was to continue under Government. The Government guarantee this to the staff in question.

(3) The Board should pay them their pension and Provident Fund. Government guarantee such payments also to the staff in question.

(4) The Government transfer to the Board the pension contribution fund and provident fund, accounts.

(5) Officers who have lien in other Departments of Government but working in the Electricity Department will be treated as on deputation to the Board on foreign service rules but without deputation allowance and the Board should pay to the respective Departments leave and pension contribution for such Officers.

(6) The Board should extend to the personnel transferred and lent, all the benefits such as pay and allowances and other conditions of service as enjoyed by them in Government service. The Board should also give them the benefits of increased emoluments which may be sanctioned by Government from time to time for similar Officers in the Public Works Department and other Departments.

(7) While fixing the pay and allowances of the employees of the Board, the Government servants lent and transferred to the Board should be free to receive any increased emoluments which the Board may sanction.

(8) The Board should take into consideration the past services of such personnel, lent and transferred for the purposes of promotion, leave, pension and such other benefits.

(9) The disciplinary control over all the staff lent to the Board will rest entirely with the Board and according to the rules framed by the Board for such purposes.

(10) The Government servants lent to the Board, will also continue to enjoy the privileges such as free medical aid, &c., enjoyed by comparable officers of Government.

(2.) There are at present two Land Acquisition Officers and some staff attached to them working in the Electricity Department. Some of them belong to Electricity Department without having lien in any other Department and some of them have lien in other Departments. The rules enumerated above will apply to them also.

(3) The question whether the Radio Establishment staff should be attached to the Electricity Board or Local Bodies is under consideration. Orders regarding this will be issued in due course.

(By order of the Governor)

Sd/- Joseph Chackiaruri

Assistant Secretary.

To The Chief Engineer (Electricity). &c.

Copy of the above is forwarded to the P.S. to
Minister for P.W. & E. for information.

U.S.,
P.W. & E.Dept.

a notice was drafted in consultation with the Law and Finance Departments and the concurrence of the Board was also obtained. These notices were served on all the employees through the Electricity Board and they were given a period of 30 days to exercise their option for absorption into the cadre under the Electricity Board. The notices did not, however, state as to what would be done with those who would not opt to Board service, as it was expected that their number would be very small and that such small number could be dealt with under a suitable retrenchment scheme. A copy of the notice is appended to this note. The employees working under the Hydro-Electric Construction Projects and the Electrical Inspectorate were also informed by issue of the notices that they would be treated as holding a lien under the Mysore State Electricity Board and that their services would be deemed to have been lent to the Government on terms and conditions to be agreed upon between the Government and the Board.

On service of the notices, a number of employees made representations to the Mysore State Electricity Board as well as to the Government requesting for the grant of more time and setting forth a number of points for clarification before they could convey their consent for the transfer or otherwise. The points raised are listed below:

A longer period is necessary to obtain clarification on the several issues. Such a concession is given to Government servants under Rule 218 of M.S.R. 53.

Individual written concurrence is necessary before transfer of a Government servant to the Board can be effected.

What is the alternative given to the employee in case he does not opt to the Board service.

That an assurance may also be given regarding seniority that the Board will not make direct recruitment to appointments above the lowest rank where recruitments are ~~absolutely~~ usually made. The Board should consult the P.S.C. in case of appeal against loss of seniority and other disciplinary matters.

5. The Government should also guarantee continued employment in the same manner as if continued under Government service in addition to the Board's guarantee.
6. That if at any time in future the Board wishes to form its own rules and regulations governing the service conditions, they should not be less favourable than the rules and regulations which are at present governing service under the Government.
7. The Board should extend all the benefits such as pay and allowances and other conditions of service as now enjoyed under Government service. The Board may also be moved to give the benefit of increased emoluments which may be sanctioned by Government from time to time for similar posts in the Public Works Department.
8. The Government should also guarantee the payment of pension/Provident Fund in addition to the Board guaranteeing the same.
9. If opted to the Board service, the employees may be permitted to receive any increased emoluments which the Board may sanction from time to time.
10. Free medical aid, house building advance etc. under Government should be continued by the Board.

The above points raised by the employees were examined in detail in consultation with the Law and Finance Departments. While most of the points raised have not presented any serious difficulties in furnishing ~~any~~ clarifications, two of them have presented certain legal difficulties. They are in respect of the notice of 30 days given and the alternative to be given to those employees who do not opt to the service of the Board. In regard to the period of notice, the Law Department advised that the period of 30 days given is not sufficient and that a longer notice is necessary. As regards the alternative to be given to the non-optees to the Board service, the Law Department have stated that the rules by which those employees are governed are different, some of them being governed by the M.C.S.R. and others by the Hyderabad, Bombay or Madras rules depending upon the integrating area from which they came. In such circumstances, the case of each category of the employees would have to be examined separately.

As far as the employees governed by the M.C.S.R. are

concerned, rule 259 of the M.C.S.R. would apply to them. Under this rule, ~~an~~ a Government servant selected for discharge owing to the abolition of a permanent post shall have the option of -

- (1) Taking any compensation pension, or
- (2) accepting any other employment, or
- (3) transfer to any other establishment if he is not appointed to any other post carrying conditions of service equal to his own.

If the underlined requirements of the rule are to be satisfied a question would arise whether service under the Board would not be ~~an~~ an appointment carrying conditions of service equal to those of service under the Government. If such equality is not established then it would be necessary according to Law Department's opinion to ascertain the names of officers and officials who are not prepared to accept employment under the Board and then serve a notice of three months on every such officer or official. If the notice falls short of three months, then corresponding gratuity benefits would have to be given for the period falling short of three months unless corresponding posts are offered to them under Government with identical conditions of service.

With a view to overcome the difficulties that have arisen as a result of the procedure already adopted, the Law Department has suggested certain alternative courses to be followed in effecting the transfer of persons. They are indicated below:

- (1) It is suggested that provisions identical to Sections 53 and 56 of the Mysore Universities Act 1956 could be made in the case of Government servants to be transferred to the Board. Sections 53 and 56 of the Universities Act relate to absorption of employees in the corresponding grade of service in the University or with the Government as may be decided upon by a Service Allocation Committee consisting of members referred to in Section 53. If an employee feels aggrieved by the decision of the Services Allocation Committee he has a right of making representation to Government. The question is whether similar provisions may be made and a Service Allocation Committee constituted to deal with the problems concerning the transfer of persons of the Electricity Board.

- (2) With a view to enable a smooth transfer of the personnel, the Electricity(Supply) Act, 1948 itself may be suitably amended.
- (3) A separate set of rules may be framed under the proviso to Art. 109 of the Constitution providing for the abolition of posts in the Electricity Department and indicating the procedure to be followed, and the benefits to be granted to the persons who go out of Government service on account of such abolition. These rules will have to be issued with the approval of the Government of India under the proviso to Section 115(7) of the States Re-organisation Act, 1956 as the conditions of employment may in some cases be more disadvantageous than the conditions of service to which they were entitled before 1-11-1956. If the Electricity(Supply) Act itself were to be amended this procedure would be unnecessary. It may be pointed out that in another connection when it was felt necessary to have an enabling provision in the Act to provide for a member of the Legislature to be eligible to be a member of the Electricity Board, it was suggested to the Government of India that the Electricity(Supply) Act might be amended. But the Government of India did not agree. In view of the possibilities of the Government of India not agreeing to the amendment of the Act in the present case, a question would arise whether the suggestion of the Law Department for framing a separate set of rules should be considered.

In view of the several difficulties involved and as the problems remained unsolved even after a long time after the formation of the Board it was felt that a quick solution of the problems was called for and with this end in view the Government of Madras and Kerala were addressed in order to ascertain how they had dealt with similar problems in their States. The position as ascertained is indicated below:

The Government of Madras have issued notices to the employees giving them option to serve under the State Electricity Board or to do otherwise. Those who have opted in favour of serving under the Board have been notified that on or from 1-7-1957, they would cease to be governed by the service conditions applicable to them under rules and orders made by the Government of Madras. In respect of those who have not opted to serve the Board the Madras Government have not yet passed orders as to how they should be dealt with.

(Contd.)

It is reported that in a few individual cases certain permanent engineers have been retrenched from service due to their unwillingness to serve the Board and as they could not be absorbed in any permanent posts in Government service after 1-7-1957.

The Government of Kerala have not issued such notices but passed orders straight-away assuring certain guarantees of employment and service conditions, etc. as detailed in the Government Order of Kerala Government.

The following main problems have therefore arisen for consideration:

- 1) Is the notice of 30 days issued to the employees sufficient;
- 2) what is the alternative to be given to the employees who do not opt to the service of the Board;
- 3) is it feasible to make provisions identical to Sections 53 and 56 of the Mysore University Act, 1956 and to constitute a Service Allocation Committee to deal with problems of transfer of personnel;
- 4) is it feasible to adopt the simple procedure of the Kerala Government in having passed orders straight-away without issue of any notice (Law Department has advised that such a procedure would be illegal);
- 5) is it feasible to address the Government of India as suggested by the Law Department to amend the Electricity(Supply) Act 1948 to make the necessary provisions for the transfer of personnel;
- 6) is it feasible to frame a separate set of rules under the proviso of Article 309 of the Constitution?

The Electricity Board was constituted over two years ago and the problem of transfer of personnel to the Board service still pending owing to several difficulties involved. It is therefore suggested that the problems mentioned above might be discussed at a meeting.

SUBJECT: Transfer of the personnel of the erstwhile Government Electrical Department to the Mysore State Electricity Board.

Consequent on the formation of the Mysore State Electricity Board with effect from the afternoon of the 30th September 1957 the question as to how the personnel of the erstwhile Electricity Department of the Government of Mysore should be dealt with was examined in all aspects, in consultation with the Chief Secretary ^{and the Law Secretary} wherever necessary. The formation of the Board and certain allied decisions involved the splitting up of the work formerly being attended to by the Board into three parts viz:

- (i) the items of work transferred to the Board, consisting of the management of existing generating stations and all distribution work, including Rural electrification, power supply to Irrigation pumping sets, etc;
- (ii) construction of Hydro-electric Projects directly under the control of Government; and
- (iii) the Electrical Inspectorate, also working under Government as a Government department.

A decision was taken to the effect that as the personnel needs of item (ii) above were temporary and the cadre under (iii) could only be very small in the nature of things, there should only be a single cadre of Electrical Engineering personnel under the State Electricity Board, from which staff was to be deputed from time to time to the other ^{two} departments according to requirements and subject to conditions to be agreed on between Government and the Board. It was accordingly proposed to transfer all the employees of the former Electricity Department to the Board. As this involved a change in the terms and conditions of service and a ~~xxx~~ transfer from Government service to service under an autonomous statutory body, it was decided, under advice of Law Department, to issue individual notices to all the employees requiring them to state their option. Accordingly

a notice was drafted in consultation with the Law and Finance Departments and the concurrence of the Board was also obtained. These notices were served on all the employees through the Electricity Board and they were given a period of 30 days to exercise their option for absorption into the cadre under the Electricity Board. The notices did not, however, state as to what would be done with those who would not opt to Board service, as it was expected that their number would be very small and that such small number could be dealt with under a suitable retrenchment scheme. A copy of the notice is appended to this note. The employees working under the Hydro-Electric Construction Projects and the Electrical Inspectorate were also informed by issue of the notices that they would be treated as holding a lien under the Mysore State Electricity Board and that their services would be deemed to have been lent to the Government on terms and conditions to be agreed upon between the Government and the Board.

On service of the notices, a number of employees made representations to the Mysore State Electricity Board as well as to the Government requesting for the grant of more time and setting forth a number of points for clarification before they could convey their consent for the transfer or otherwise. The points raised are listed below:

1. A longer period is necessary to obtain clarification on the several issues. Such a concession is given to Government servants under Rule 218 of M.C.S.R.58.
2. Individual written concurrence is necessary before transfer of a Government servant to the Board can be effected.
3. What is the alternative given to the employee in case he does not opt to the Board service.
4. That an assurance may also be given regarding seniority that the Board will not make direct recruitment to appointments above the lowest rank where recruitments are ~~usually~~ usually made. The Board should consult the P.S.C. in case of appeal against loss of seniority and other disciplinary matters.

5. The Government should also guarantee continued employment in the same manner as if continued under Government service in addition to the Board's guarantee.
6. That if at any time in future the Board wishes to form its own rules and regulations governing the service conditions, they should not be less favourable than the rules and regulations which are at present governing service under the Government.
7. The Board should extend all the benefits such as pay and allowances and other conditions of service as now enjoyed under Government service. The Board may also be moved to give the benefit of increased emoluments which may be sanctioned by Government from time to time for similar posts in the Public Works Department.
8. The Government should also guarantee the payment of pension/Provident Fund in addition to the Board guaranteeing the same.
9. If opted to the Board service, the employees may be permitted to receive any increased emoluments which the Board may sanction from time to time.
10. Free medical aid, house building advance etc. under Government should be continued by the Board.

The above points raised by the employees were examined in detail in consultation with the Law and Finance Departments. While most of the points raised have not presented any serious difficulties in furnishing ~~any~~ clarifications, two of them have presented certain legal difficulties. They are in respect of the notice of 30 days given and the alternative to be given to those employees who do not opt to the service of the Board. In regard to the period of notice, the Law Department advised that the period of 30 days given is not sufficient and that a longer notice is necessary. As regards the alternative to be given to the non-optees to the Board service, the Law Department have stated that the rules by which those employees are governed are different, some of them being governed by the M.C.S.D. and others by the Hyderabad, Bombay or Madras rules depending upon the integrating area from which they came. In such circumstances, the case of each category of the employees would have to be examined separately.

As far as the employees governed by the M.C.S.D. are

concerned, rule 259 of the M.C.S.R. would apply to them. Under this rule, ~~ex~~ a Government servant selected for discharge owing to the abolition of a permanent post shall have the option of -

- (1) Taking any compensation pension, or
- (2) accepting any other employment, or
- (3) transfer to any other establishment if he is not appointed to any other post carrying conditions of service equal to his own.

If the underlined requirements of the rule are to be satisfied a question would arise whether service under the Board would not be ~~an~~ an appointment carrying conditions of service equal to those of service under the Government. If such equality is not established then it would be necessary according to Law Department's opinion to ascertain the names of officers and officials who are not prepared to accept employment under the Board and then serve a notice of three months on every such officer or official. If the notice falls short of three months, then corresponding gratuity benefits would have to be given for the period falling short of three months unless corresponding posts are offered to them under Government with identical conditions of service.

With a view to overcome the difficulties that have arisen as a result of the procedure already adopted, the Law Department has suggested certain alternative courses to be followed in effecting the transfer of persons. They are indicated below:

- (1) It is suggested that provisions identical to Sections 53 and 56 of the Mysore Universities Act 1956 could be made in the case of Government servants to be transferred to the Board. Sections 53 and 56 of the Universities Act relate to absorption of employees in the corresponding grade of service in the University or with the Government as may be decided upon by a Service Allocation Committee consisting of members referred to in Section 53. If an employee feels aggrieved by the decision of the Services Allocation Committee he has a right of making representation to Government. The question is whether similar provisions may be made and a Service Allocation Committee constituted to deal with the problems concerning the transfer of persons of the Electricity Board.

- (2) With a view to enable a smooth transfer of the personnel, the Electricity(Supply) Act, 1948 itself may be suitably amended.
- (3) A separate set of rules may be framed under the proviso to Art. 309 of the Constitution providing for the abolition of posts in the Electricity Department and indicating the procedure to be followed, and the benefits to be granted to the persons who go out of Government service on account of such abolition. These rules will have to be issued with the approval of the Government of India under the proviso to Section 115(7) of the States Re-organization Act, 1956 as the conditions of employment may in some cases be more disadvantageous than the conditions of service to which they were entitled before 1-11-1956. If the Electricity(Supply) Act itself were to be amended this procedure would be unnecessary. It may be pointed out that in another connection when it was felt necessary to have an enabling provision in the Act to provide for a member of the Legislature to be eligible to be a member of the Electricity Board, it was suggested to the Government of India that the Electricity(Supply) Act might be amended. But the Government of India did not agree. In view of the possibilities of the Government of India not agreeing to the amendment of the Act in the present case, a question would arise whether the suggestion of the Law Department for framing a separate set of rules should be considered.

In view of the several difficulties involved and as the problems remained unsolved even after a long time after the formation of the Board it was felt that a quick solution of the problems was called for and with this end in view the Government of Madras and Kerala were addressed in order to ascertain how they had dealt with similar problems in their States. The position as ascertained is indicated below:

The Government of Madras have issued notices to the employees giving them option to serve under the State Electricity Board or to do otherwise. Those who have opted in favour of serving under the Board have been notified that on or from 1-7-1957, they would cease to be governed by the service conditions applicable to them under rules and orders made by the Government of Madras. In respect of those who have not opted to serve the Board the Madras Government has not yet passed orders as to how they should be dealt with

(Contd.)

It is reported that in a few individual cases certain permanent Engineers have been retrenched from service due to their unwillingness to serve the Board and as they could not be absorbed in any permanent posts in Government service after 1-7-1957.

The Government of Kerala have not issued such notices but passed orders straight-away assuring certain guarantees of employment and service conditions, etc. as detailed in the Government Order of Kerala Government.

The following main problems have therefore arisen for consideration:

- 1) Is the notice of 30 days issued to the employees sufficient;
- 2) what is the alternative to be given to the employees who do not opt to the service of the Board;
- 3) is it feasible to make provisions identical to Sections 53 and 56 of the Mysore University Act, 1956 and to constitute a Service Allocation Committee to deal with problems of transfer of personnel;
- 4) is it feasible to adopt the simple procedure of the Kerala Government in having passed orders straight-away without issue of any notice (Law Department has advised that such a procedure would be illegal);
- 5) is it feasible to address the Government of India as suggested by the Law Department to amend the Electricity(Supply) Act 1948 to make the necessary provisions for the transfer of personnel;
- 6) is it feasible to frame a separate set of rules under the proviso of Article 309 of the Constitution?

The Electricity Board was constituted over two years ago and the problem of transfer of personnel to the Board service is still pending owing to several difficulties involved. It is therefore suggested that the problems mentioned above might be discussed at a meeting.

2

GOVERNMENT OF MYSORE.

MYSORE GOVERNMENT SECRETARIAT,
VIDHANA SOUDHA,

No.PWD 5726--Etc.

Dated, Bangalore, 21st June 1958.

From

The Secretary to the Government of Mysore,
Public Works and Electrical Department,

To

.....
.....

SIR,

Consequent to the formation of the Mysore State Electricity Board with effect from 30th September 1957, the Government of Mysore have decided that the posts under Government pertaining to the erstwhile Electricity Department on which the Government Employees (Gazetted and Non-Gazetted) who are now working under the Administrative Control of the State Electricity Board or in the Hydro-Electric Construction Projects or the Electrical Inspectorate hold lien should be abolished. The State Electricity Board have kindly consented to offer to all such employees posts under the State Electricity Board, corresponding in rank and emoluments to the posts they held in the Electricity Department immediately prior to the formation of the Board. The State Electricity Board have also agreed that this change does not mean any loss of seniority previously held by the Government employees in the department. The Board have also consented to continue the retirement benefits for the employees according to the terms to which they were eligible immediately prior to the formation of the Board and for this purpose, have agreed to count the service put in by the employees in the electricity Department prior to the formation of the Board in the same manner as it would have counted under the rules applicable to the Electricity Department immediately prior to the formation of the Board.

2. The officers and officials who are now working in Hydro-Electric Construction Projects or the Electrical Inspectorate and those who are on deputation in other departments of Government or on foreign service and who in terms of this notice, agree to enter the service of the Board will be treated as holding lien under the State Electricity Board and as if their services have been lent to such authority by the State Electricity Board on terms and conditions to be agreed upon between such authority and the Board.

3. I am to request you to express your willingness to enter into the service of Board according to the above arrangement, within a period of thirty days from the receipt of this notice. If no reply is received within that period, your willingness will be presumed.

4. This notice issued with the concurrence of the State Electricity Board.

Yours faithfully,

(M.N.V. RAMANATHAIAH)
Under Secretary to Government
Public Works and Electrical

The Under Secretary to the Government of Mysore.
Electrical Department.

TO

The Secretary,
Mysore State Electricity Board, Bangalore.

Sir,

Subject: Option to be exercised by the employees of the
Mysore State Electricity Board.

- - -

I am directed to request you kindly to forward immediately three lists of employees as noted below on whom notices have been served already to exercise their option in favour of serving under the Mysore State Electricity Board:-

- (1) Employees who have clearly and unequivocally exercised their option to serve under the Board;
- (2) Employees who have in clear terms and unequivocally expressed their unwillingness to serve under the Board;
- (3) Employees who have expressed neither willingness nor unwillingness ~~to opt~~ to serve under the Board but on the other hand have asked for clarification on certain points before they could exercise their option.

Yours faithfully,

gc *9/1/60*

NOTIFICATION.

Order

Consequent on the formation of the Mysore State Electricity Board with effect from the 30th September 1957, the Govt. of Mysore have examined in detail the question of transfer of the personnel of the Govt. Electrical Department to the service of the Board and they have decided as follows:-

p 117

- (i) The personnel of the Govt. Electrical Department (except the staff required for manning the Hydro Electric Construction Projects and the Electrical Inspectorate, which function under the direct control of the State Govt.), who opt to serve the Mysore State Electricity Board, will be transferred to the service of the Board from 30th September 1957 without any lien in Govt. service. *and*

- (ii) As regards persons who are not willing to be transferred to the Board, temporary members of the staff of the Govt. Electrical Department, who decline to serve under the Electricity Board, will be discharged from service, while in the case of permanent members, they will be absorbed elsewhere to the extent possible or retrenched with benefits of gratuity or pension, as the case may be.

x from the Govt. Dept. and their posts will be abolished thereafter.

Employers will be

2. The personnel belonging to the other Departments of Govt. whose services have been lent to the Electrical Department, will be treated as having been deputed to the Mysore State Electricity Board on foreign service terms with effect from 30-9-1957. Similarly, personnel of the Electrical Department who are now serving in other departments of the Govt., or deputed to other Governments, or organisations or Local Bodies will be treated as having been lent by the Board to the Government or organisations or Local Bodies as the case may be, with effect from 30th Sept. 1957.

3. The Mysore State Electricity Board is requested (i) to frame the regulations to be

(Cont

147

made by it relating to its staff under Section 79(c) of the Electricity(Supply) Act, 1948, in such a way as not ^{to} prejudicially affect the interest of the staff~~ka~~ to be absorbed into its service; and (ii) to give option to the staff transferred to its service from Govt. service, to continue to enjoy the service conditions under the Govt., whenever any change thereof is given effect to by the Board.

2 4. The Chief Engineer, Electricity, Mysore State Electricity Board, is requested to furnish detailed particulars of persons who have expressed their unwillingness to serve the Board and to submit proposals to the Govt. for the payment of pension or gratuity as the case may be, to persons who have to be retrenched.

5. The following Notification will be published in the Mysore Gazette:-

NOTIFICATION

In exercise of the powers conferred by the proviso to Article 309 of the Constitution of India the Governor of Mysore hereby directs that with effect on and from 30th September 1957, the personnel of the Govt. Electrical Department who have opted to serve ~~in~~ under the Mysore State Electricity Board would cease, to be governed by the conditions of service applicable to them in pursuance of the rules and orders made by the Government.

No. PWD 15 SEB 57.

Bangalore, dt. 14/8

From

The Secretary to the Govt. of Mysore,
Public Works & Electr. Department,

To

.....
.....

Sir,

Consequent to the formation of the Mysore State Electricity Board with effect from the 30th September 1957 the Govt. of Mysore issued a notice ^{through the Electricity Board} to all the employees of the erstwhile Electricity Department who were serving under the administrative control of the State Electricity Board or in the Hydro Electric Construction Projects or the Electrical Inspectorate, calling upon them to express their willingness to enter into the service of the Board according to the arrangement therein notified, within a period of 30 days from the receipt of that notice. Some of the employees ^{made representation requesting for the grant of} have ~~forwarded a printed Memorandum~~ ^{for clarification} setting out ~~several of the points on which they solicited~~ ^{clarification from Govt.} These points have been examined by the Govt. of Mysore in great detail.

In regard to the ~~extension of the period~~ ^{required to exercise their option} Govt. have ~~considered~~ that a further period of 30 days from the date of this notice ~~would~~ be given to each one of the employees to exercise their option finally. As regards the alternatives to be given to the non-optees to the Board service the ~~xxxx~~ employees will be selected for discharge owing to the abolition of the posts under Govt. and will have the option of taking

*more time and**The Govt. after having
examined all these points

GOVERNMENT OF MADHYA PRADESH

ELECTRICITY DEPARTMENT

ORDER

No. 11836-2040-XIII, Bhopal, dated the 23rd May 1957.

To

ALL EMPLOYEES OF GOVERNMENT IN THE ELECTRICITY DEPARTMENT IN THE
ERSTWHILE MADHYA BHARAT, BHOPAL, VINDHYA PRADESH AND SIRONJ
REGIONS.

WHEREAS the Madhya Pradesh Electricity Board has, on the 1st April 1957, passed a resolution/No. 4 (copy enclosed) undertaking to absorb all officers and other employees of the Electricity Department in the integrating units of Madhya Bharat, Bhopal, Vindhya Pradesh and Sironj, on the same terms and conditions as were applicable to them immediately before the 1st June 1957 ;

NOW THEREFORE, the State Government are pleased to direct that the services of all officers and other employees of the Electricity Department in the integrating units of Madhya Bharat, Bhopal, Vindhya Pradesh and Sironj regions of Madhya Pradesh be provisionally placed at the disposal of the Madhya Pradesh Electricity Board from the 1st June 1957 FN., on the same terms and conditions of service as were applicable to them immediately before the 1st June 1957. Their service under the Madhya Pradesh Electricity Board from the 1st June 1957 shall be treated by the Board as continuous for all purposes such as leave, pension, etc. In other words, the transfer of services of an employee in accordance with this order shall not amount to a break in his service.

2. In the event of any dispute about the terms and conditions of service as applicable to an individual employee immediately before the 1st June 1957, the decision of the State Government shall be final and binding on the Board as well as the employee.

By order of the Governor, Madhya Pradesh,-

(P. D. CHATTERJI,)

Secy. to Govt., Madhya Pradesh,
Electricity Department.

Copy of Resolution No. 4, passed in the first meeting of the Madhya Pradesh Electricity Board, held on the 1st April 1957.

SUBJECT.—*Draft Regulations under Section 79—Approval of.*

Approved the regulations as listed under item 4 of the agenda subject to the following :—

Madhya Pradesh Electricity Board (General Service) Regulations.

It was resolved that the following provisions for absorption of the staff of the (old) Madhya Pradesh Electricity Board and the other integrating units of Madhya Bharat, Vindhya Pradesh and Bhopal be made :—

- (i) The services of all officers and officials permanent, Contract and temporary allotted to Madhya Pradesh Board will be treated as transferred to the New Board of Madhya Pradesh on the same terms and conditions of service as were applicable to them in the service of (old) Madhya Pradesh Electricity Board prior to their transfer and that their conditions of service shall not be varied or prejudiced by reason of such transfer so that *status quo* will be maintained. That their service in the New Madhya Pradesh Electricity Board will be treated as a continuous one for all purposes such as pension, leave, etc., which may be applicable to the category of the previous service concerned and by reason of such transfer no break in their previous service will be construed.
- ii) The officers and officials in Government service in the integrating units of Madhya Bharat, Vindhya Pradesh and Bhopal shall be absorbed by the (new) Madhya Pradesh Electricity Board on the same terms and conditions as were applicable to them immediately prior to their transfer and that their terms and conditions of service in the previous employment under Government shall not be varied or prejudiced by reason of such transfer so that their *status quo* will be maintained. That their service in the new Madhya Pradesh Electricity Board will be treated as a continuous one for all purposes such as pension, leave, etc., which may be applicable to the category of previous service concerned and by reason of such transfer no break in their previous service will be construed.

Terms and conditions of service of Public
Works Department employees under the
Bombay Electricity Board.

GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

Resolution No. ESA. 2054-E.

Sachivalaya, Bombay No. 1, 22nd June 1957.

RESOLUTION OF GOVERNMENT.

The question of formulating terms and conditions of service of Public Works Department employees, who were working in the Bombay Electric Grid Department, and whose services were placed at the disposal of the Bombay Electricity Board, consequent on its formation on 6th November 1954, had been under consideration of Government for some time past. Government is pleased to direct that the permanent Public Works Department employees, whose services were placed at the disposal of the Bombay Electricity Board, on its formation, should be treated as on deputation to the Board, with effect from 6th November 1954, on the terms and conditions mentioned below :—

(i) The Government employees shall be granted pay in the same scale of pay as in the Public Works Department.

(ii) Leave and pension contribution shall be paid by the Board in accordance with Bombay Civil Services Rules.

(iii) Travelling allowance and daily allowance shall be paid according to the rules of the Board.

(iv) Leave shall be granted according to Bombay Civil Services Rules.

(v) Free medical, surgical and nursing treatment shall be given in accordance with the rules applicable in Government service.

(vi) Travelling allowance and joining time pay both on transfer to the Board, and on reversion therefrom, shall be regulated under the Bombay Civil Services Rules and paid by the Board. The period of joining time shall also be regulated under the rules of the Bombay Government.

(vii) Government employees shall continue their subscription in accordance with the prescribed rules, to the provident funds of which they are members.

(viii) The whole expenditure in respect of any compensatory allowance for periods of leave taken by the Government employees while in or at the end of service shall be borne by the Board.

(ix) The Board shall be liable to pay leave salary in respect of any disability leave that may be granted on account of disability incurred in, or through such foreign service, even though such disability manifests itself after the termination of foreign service.

(x) The services of all Government servants, excluding those who were appointed to permanent posts in a substantive capacity before 5th May 1952, should be liable to be lent to or placed at the disposal of the Board. Such Government servants should not be permitted to exercise the right to revert from foreign service six months after they have given notice to Government of their wish to revert conferred by Bombay Civil Services Rule 108.

(xi) No Public Works Department employee should be sent on deputation to the Board for a period exceeding 3 years at a time.

(xii) If a departmental enquiry is to be instituted against any Government employee, such employee shall be reverted to the Public Works Department for holding such enquiry. The subsistence allowance shall be paid by Government but it shall be recovered from the Board.

(xiii) Government employees on deputation to the Board will be governed by any orders of a general nature that will be issued by Government.

2. Shri R. P. Desai, a permanent ex-State Officer, absorbed as temporary Executive Engineer in the Public Works Department who was working as Superintending Engineer in the Bombay Electric Grid Department and whose services were placed at the disposal of the Board, on its formation, should be treated as on deputation to the Board with effect from 6th November 1954 on the same terms and conditions as stipulated in paragraph 1 above.

3. Such of the permanent Public Works Department employees on deputation to the Board, whose services are not required by the Board should be reverted to the Public Works Department. Three month's notice should however, be given to Government before effecting reversion.

4. The terms and conditions mentioned in paragraph 1 above, should be made applicable with effect from 6th November 1954, the date of formation of the Bombay Electricity Board.

5. Orders regarding terms and conditions of service of temporary Public Works Department employees, whose services were placed at the disposal of the Board, on its formation, will be issued later.

By order and in the name of the Governor of Bombay,

Ex-State servants of merged
State Power Houses transferred
to the Bombay Electricity Board:
Service Conditions of - .

Government of Bombay.
Public Works Department.
Resolution No. DTN 6656- E,
Sachivalaya, Bombay No.1,
22nd August 1956.

RESOLUTION OF GOVERNMENT.

With the merger of States, a number of Power Houses in the merged State areas came under the control of this Government. The question of continuing those Power Houses and of ~~the~~ determining the set up of their establishments was under the consideration of Government, but before, a decision could be reached, the Bombay Electricity Board was constituted on 6th November 1954 and the Power Houses passed to the control of the Board from that date. The question of formulating the terms and conditions of transfer of the ex-State servants of these Power Houses has been under examination of Government for some time past. After careful consideration of the question and after consulting the Bombay Electricity Board, Government is now pleased to direct that the service conditions of ex-State servants of the merged State Power Houses transferred to the Board should be regulated in the manner indicated below:-

ex-State
servants as
holding
non-pensionable
posts in

- (1) All ex-State servants, permanent or temporary, whether absorbed in Government service or not, should be treated as transferred to the Bombay Electricity Board with effect from 6th November 1954.
- (2) The pensionary liabilities in respect of such of the ex-State regime should be liquidated as on 6th November 1954. This should be done by crediting to the Contributory Provident Fund of the Board an amount equal to the commuted value of pension admissible under Bombay Civil Services Rule 266 and Section VIII, Chapter XI of the Bombay Civil Services Rules Manual, Volume I.
- (3) The amount of Contributory Provident Fund to the credit of ex-State servants holding non-pensionable posts should be transferred to the Board as on 6th November 1954.
- (4) The services of such of the ex-State servants as are not required by the Board may be terminated by the Board. The Board will have to comply with the provisions of Section 25 F of the Industrial Disputes Act 1947, before effecting retrenchment.

With regard to ex-State employees of the Power Houses who were continued by Government on fixed pay during their absorption and who have been retained by the Board, Government is pleased to direct that the benefit of the number of completed years of service from the date of the integration of the ex-States concerned 28th February 1954 should be given credit for purposes

of.....

of fixing their pays on 1st March 1954. The pays so fixed should be given effect to from 1st April 1956 in the respective pay scales prescribed by the Board. The period from 1st March 1954 to 31st March 1956 should count for purposes of increments in determining the pays as on 1st April 1956 but no arrears on account of the difference of pay for the period prior to 1st April 1956 should be granted.

3. All ex-State servants of the Power Houses whether absorbed in Government service or not, transferred to the Board shall be deemed to be the employees of the Board with effect from 6th November 1954 and shall be governed by the Board's Regulations, except that they will be entitled to :-

- i) Pay as may be fixed by the Board as indicated above;
- ii) Accumulated leave to their credit as on 6th November 1954; and
- iii) Eligibility to subscribe to the Board's Contributory Provident Fund without the necessity of having to serve under the Board for one year as required by the Board's Regulations.

By order and in the name of the Governor of Bombay,

J.P. NAEGAMVALA.
Deputy Secretary to Government.

Terms and conditions of service of Public
Works Department employees under
the Bombay Electricity Board.

GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

Resolution No. ESA. 2054-E.

Sachivalaya, Bombay No. 11, 1st November, 1957.

Read—

(i) Government Resolution, Public Works Department, No. ESA. 2054-E, dated the 22nd June 1957.

(ii) Government Letter, Public Works Department, No. ESA. 2054-E, dated 22nd June 1957, addressed to the Secretary, Bombay State Electricity Board.

(iii) Letter No. SCR. 80/III/39845, dated the 14th August 1957, from the Secretary, Bombay Electricity Board.

RESOLUTION.—The question of formulating terms and conditions of service of temporary Public Works Department employees who were working in the Bombay Electric Grid Department and whose services were placed at the disposal of the Bombay Electricity Board consequent on its formation on 6th November 1954, had been under correspondence with the Bombay Electricity Board. That Board has now accepted the proposals made by Government in this regard. Government is accordingly pleased to direct that the temporary Public Works Department employees, whose services were placed at the disposal of the Bombay Electricity Board, on its formation, with effect from the 6th November 1954 should be given the option either to accept the service under the Board as Board's employees or to revert to the Public Works Department. The option should be exercised within three months from the date of this Resolution and will be final, once it is exercised. Those who opt for service under the Board will be governed by the service conditions and rules framed by the Board with effect from 6th November 1954. Their past service will be recognised by the Board for the purpose of—

(a) pay and increments in their respective grades.

(b) accumulated leave to their credit on 6th November 1954.

(c) eligibility to subscribe to the Board's Contributory Provident Fund without the necessity of having to serve for one year in the Board's service as required under clause 113(1) of the Bombay Electricity Board Employees Service Regulations.

Those temporary Public Works Department employees who opt for service in Public Works Department will be treated as on deputation to the Board with effect from the 6th November 1954 on the terms and conditions mentioned in Government Resolution, Public Works Department, No. ESA. 2054-E, dated the 22nd June 1957. The temporary Public Works Department employees, who have already reverted to Public Works Department should be treated to have opted for service in Public Works Department and treated as on deputation from 6th November 1954 to the date of their reversion on the terms and conditions mentioned in Government Resolution, Public Works Department, No. ESA. 2054-E, dated 22nd June 1957.

2. The Secretary, Bombay State Electricity Board, should report to Government the names of temporary Public Works Department employees who opt for service in the Public Works Department. Such of the temporary Public Works Department employees, as opt for service in the Public Works Department and whose services are not required by the Board should be reverted to the Public Works Department. Three months' notice should, however, be given to Government before effecting reversion.

By order and in the name of the Governor of Bombay,

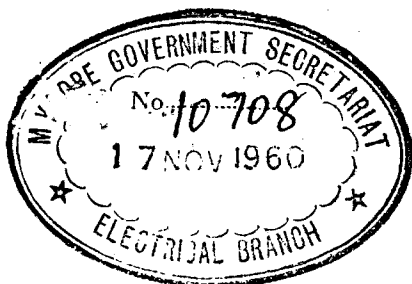

J. H. PATWARDHAN,
Deputy Secretary to Government.

The Political and Services Department.
 The Finance Department.
 The Industries and Co-operation Department.

To

The Deputy Secretary to Govt. of Mysore,
P.W. & Electricity Department,
Bangalore.

Dated Chandigarh, the 24 Nov. 1960.

Subject:-Formation of State Electricity Board-Transfer of personnel from
the former Electrical Department to the Electricity Department.

Sir,

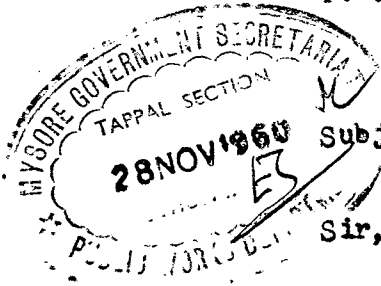

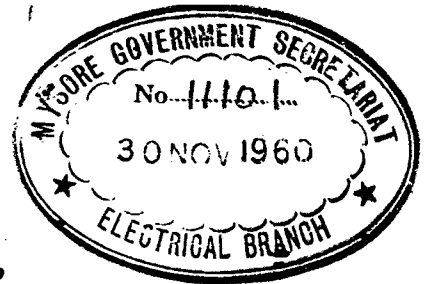

I am directed to refer to your letter No. PWD-15 SEB 57 dated the 10th
September, 1960, on the subject noted above and to inform you that the
services of all these employees who were ^{temporary} ~~temporal~~ on the date of the
formation of the Board were terminated and they were absorbed by the
Punjab State Electricity Board on the same terms and conditions by which
they were governed when they were under Punjab Govt. As regards permanent
employees, they have, for the time being, been sent on foreign service
to the Board. The question of their permanent transfer to the Board
is still under consideration.

Copies of notices issued to the employees are sent herewith.

Yours faithfully,

[Signature]
Deputy Secretary,
for Secretary to Government Punjab,
Irrigation and Power Deppts.

To

(Non-Gazetted Permanent)

Memorandum No.22001, dated chandigarh, the
15th March, 1958.

As you are no doubt aware, a State Electricity Board is being formed in this State with effect from 31st March, 1958 in compliance with the provisions of Electricity(Supply) Act, 1948. With its formation, the Punjab P.W.D.Electricity Branch, will cease to exist as a department of Government since there will be no post under Government on which it will be possible to utilize the services of the permanent staff, I am to say, that with regret, that the role of Government as your employer will have to come to an end, and it is about this that I am desired to writ to you.

2. The permanent members of the P.W.D., Electricity Branch, have served Government dutifully for varying periods and it has been Government's prime concern to secure for them as smooth a change over as the situation permits. Government Consider it a matter of obligation to ensure, as far as possible, that every permanent Government servant is continued in the employ of the Board and that his pay, prospects and other privileges (e.g., leave, pension etc.) are not adversely affected in any manner. With this objective in mind, Government have had consultations with the Chairman, Designate of the State Electricity Board and this letter is being issued with his full concurrence.

3. Since Government will, with effect from 31st March, 1958, be unable to utilize your services, the normal thing to do would be to abolish your post and discharge you in accordance with the services rules applicable to you.

Should this course be adopted, the Board would be willing to re-employ you on terms which will ensure that you do not lose any of the financial benefits which you would have enjoyed if you had continued your service under Government. In particular your service under Government would count towards pension, and your leave accumulations would stand. Briefly the "break" in service would have no adverse effect upon you financially. In case the Board evolves for its employees terms of service more favourable than the terms available under Government, You would be eligible to take advantage of those as there would be no restriction on you from the side of Government when you are not a Government servant.

4. Although Government are convinced that the course described above would not be against your essential interests and may even be more advantageous to you in the long run than any other course, they would, in the first instance, prefer to see the permanent staff going over to the State Electricity Board on a "foreign service" arrangement. This would apply equally to persons appointed on probation against permanent posts and not yet confirmed. The arrangement would seem to Government to have two main advantages. Firstly, it would allow appointing authorities time to ensure that all Government servants eligible and fit for confirmation, for whom permanent vacancies exist in the period prior to 31st March, 1958, are confirmed against those vacancies. Secondly, the "foreign service" arrangement would amount to having a sort of "st still" period during which the Board could evolve terms and conditions of service for its own employees and the Government servants going over for service under the Board could have ^{chance} ~~change~~ of assessing the new disposition so far as they are concerned.

5. The "foreign service" arrangement visualised would as provided for in the Civil Service Rules. The following clarifications must, however be borne in mind:-

(i) For the duration of the "foreign service" arrangement, Government will keep shadow posts, against which liens will continue to be held by the permanent staff going on foreign service to the Board.

(ii) While on foreign service with the Board, there will be no deputation allowance;

(iii) The Board will make pension contributions for the period that you remain in foreign service;

(iv) Leave liability will be taken over by the ^{Board + no} contribution shall be payable to Government on this account;

(v) Should the Board not require your services at any stage, which is a contingency that will arise only on Government's prior satisfaction about the justification of the action proposed to be taken by Board, you will continue to serve under the Board as before for the period of the notice of discharge, if any, required under the service rules applicable to you.

6. You are requested to intimate before 27th March, 1958, on the form attached whether you are agreeable to go on "foreign service" to the Board on the conditions outlined above. The notice is undoubtedly short, but you will appreciate that it is in your own interest to send timely intimation.

7. Government are anxious that those who have served them diligently and well for many years should give to the State Elec., Board their co-operation and service in full measure, so that the important task the Board will be charged with is not jeopardized in any way. I am to express the hope, therefore, that you will unhesitatingly opt for foreign service under the Board. Should, however, your decision be otherwise, I am to point out that it will not be possible for Government to provide work for you and, in the event, you may please take this letter as a notice for termination of your services in accordance with the service rules applicable to you. In the event of your opting not to go on foreign service the permanent post, against which you hold a substantive appointment, or against which you have been appointed on probation will stand abolished.

NOTIFICATION.Dated Shillong, the 11th November, 1959.

NO.PDEL.62/58 :- Consequent on the formation of the Assam State Electricity Board (vide Government Notification No.PDEL.60/58, dated the 27th May, 1958), the question of formulating terms and conditions of service of the Electricity Department employees (except the Electrical Inspectorate) who were working under Government and whose services were placed at the disposal of the Assam State Electricity Board with effect from 1.6.1958. had been under consideration of Government sometime past. It has now been decided to depute and transfer with effect from 1.6.58 the permanent employees of Electricity Department and such of the temporary staff as had completed 5 years of continuous service under Electricity Department on or before 31st May, 1958 to the service of the Board, under the terms and conditions noted below :-

1. All permanent staff of the Electricity Department and such of the temporary staff as had completed 5 years of continuous service in the Electricity Department on or before 31st May, 1958 and working under the Assam State Electricity Board with effect from 1.6.1958 are deputed to the Board on foreign service, the terms and conditions of which are laid down in section II. Chapter XII of the F.Rs and S.Rs. They will be entitled to the benefit of their previous services under the Government for the purposes of leave, pension, pay, seniority and other service benefits to the extent admissible to their respective categories

2. The services of all the temporary staff except those who have completed 5 years of continuous service on or before 31st May, 1958 under the Government shall be deemed as having been terminated with effect from 1.6.1958. The Board shall however re-employ them as new entrants to service under the Board from that date on their existing scales of pay and they will be entitled to the benefit of their services under the State Government for the purpose of seniority and leave admissible to them in their respective grades under the Board, subject to the approval of the Board.

3. The Board shall be liable to pay leave salary and pension contribution in respect of permanent staff in accordance with the terms of foreign service.

Sd/-Rana K.D.N. Singh,
Secy.to the Govt.of Assam.

.....

SIR,

Consequent to the formation of the Mysore State Electricity Board, with effect from 30th September 1957, the Government of Mysore issued a notice dated 1st June 1958 through the Electricity Board to all the employees of the erstwhile Electricity Department of the State who are serving under the control of the State Electricity Board, in the Hydro-Electric Construction Projects or the Electrical Inspectorate, calling upon them to ~~Express~~ ^{express} their willingness to enter into the services of the Board on terms and conditions of service mentioned therein.

Since some of the employees concerned have either not so far exercised their option or have sought for clarifications, etc., Government consider that a further and final chance be given to them to exercise the option.

I am, therefore, to request you to exercise your option clearly and unequivocally in the accompanying form within 3 months from the date of this letter. Any request for extension of time or clarifications, etc., will not be entertained.

Where the employee does not exercise the option at all or ~~does~~ ^{is} not willing to enter into the service of the Board action will be taken to abolish the post after 3 months from the date of receipt of this notice and to dispense with the services of the employee concerned in accordance with the rules.

By Order and in the name of the Governor of Mysore,

Subject:- Representations - to exercise option to serve under M.S.E.Board on terms and conditions of service under the M.S.E.B.

==

Dear Sri *Manayan*

I am desirous to refer to your letter No.MSEB/A1-607/63-64 dated 21-5-1963 on the above subject and to state that all the representations of the employees of the Board are almost stereo-typed and common in prayer. They have requested to be made aware of the terms and conditions of service in the Board. It is presumed that setting of service conditions of the employees of the Board along with other demands of the employees ~~appear~~^{may} to be under the consideration of the Board, *If* they have since been finalised, a copy of the same may be sent for consideration of Government.

I am also to request you kindly to furnish the names of the employees who have opted to Board service; of those who have refused to opt to Board service and such of those who have not responded at all and those who have sought clarification .

Separate lists with cadre and also with the above categories may please be sent for consideration of Government.

The representations so far received are returned herewith for needful action.

Yours sincerely,

K. R. Circle, Bangalore-1.

To. The Deputy Secretary to Government,
Public Works & Electricity Department,
Bangalore.

Sir.

Sub: Representations - To exercise
option to serve under MSEB on
terms and conditions of service
under the M.S.E. Board.

With reference to your D.O. Letter No. PWD 15
SEB 57 dated 23.6.63 returning all the representations
so far sent from this office, I am directed to state
that draft service Rules for the employees working in
M.S.E. Board compiled by the Board are now being
scrutinised in the Finance Department and are being
received part by part. After they are finalised, a copy
of the service rules will be forwarded to you for -
reference. I am also to invite your kind reference to
this office letter No.A1-364/63-64 dated 13.5.63 addressed
to the Under Secretary to Government, Public Works and
Electricity Department in this matter.

Yours faithfully,

B. Narayan

~~XXXXX CHANDRASHEKAR XXXX~~
Asst. Secretary (Tech)

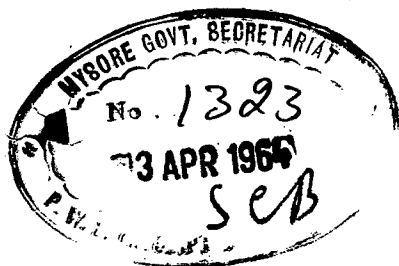

Post Bag No. 24

BANGALORE - 1

D. O. No. MSEB/ A1/607/63-64.

1 APR 1964

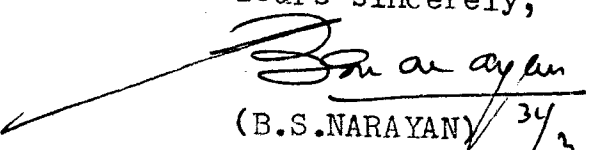

Dear Shri Ramaswamy,

Sub: Representations to exercise option to serve under Mysore State Electricity Board on terms and conditions of service under the Mysore State Electricity Board.

With reference to your D.O. letter No. PWD 61 SEN 62 dated 23-3-64 on the above, I am desired to state that the draft Service Rules chapter I to XX framed in consultation with the Finance Department were placed before the Board for consideration. The Board at its ~~meeting held on 27-2-64~~ has constituted a small Sub-Committee to review the draft Rules framed. After the finalisation of draft Rules, a copy of the same will be sent to you.

Yours sincerely,

(B.S.NARAYAN) 34/3

Shri.R.A.Ramaswamy,
Under Secretary to Government,
Public Works Department (S-C).
Vidhana Soudha,
BANGALORE.

A.1-607/62-63

Post Bag No. 24

BANGALORE-1

FROM

The Secretary,
Mysore State Electricity Board,
K. R. Circle, Bangalore-1.

Date... 28 APR 1964

To.

The Secretary to Government,
P.W. & Electricity Department,
Vidhana Soudha, BANGALORE-1.

Sub:

Transfer of Establishment of the erstwhile
Electricity Department to the M.S.E.Board.

With reference to your D.O. letter No. PWD 15 SEB 57 dated 28.6.63, I am directed to forward herewith the following statements as desired by you. The statement showing the names of the officials who have not responded to the notices has been called for from the Chief Engineer, Electricity (General) and all the Divisions. The same would be sent to you in due course.

- (1) List of Govt.servants who have joined service prior to 1-10-1957 and who have refused to opt to Board service.
- (2) List of Govt.servants who have joined service prior to 1-10-1957 and who have given representations in response to the Notification No.PWD 15 SEB 57 Dt. 24.12.1962.

In this behalf I am also to invite your kind reference to this Office D.O. letter No. A.1-607/63-64 Dt. 1.4.64, addressed to the Under Secretary to Government, P.W.D.(Services - C) intimating that the Board at its meeting held on 27.2.64 has constituted a small Sub Committee to review the draft Rules framed by the Board. After finalisation of the draft rules, a copy of the same will be sent to you.

This is also with reference to your D.O. letter No. PWD 124 ISC 63 Dt. 15.4.1964.

Yours faithfully,

Senarayana
(B.S. Narayan),
SECRETARY, M.S.E.B. 27/4

MYSORE STATE ELECTRICITY BOARD
